Nilgiri Division Office,

From,

Executive Engineer, Nilgiri Div.,
Cotacamund,

To,

The Superintending Engineer,
Fourth Circle,
Coimbatore.

Sir,

In reply to your No 47 of 30th ultimo, I have the honor to report that the continued employment of the temporary clerk in N^o II Sub Division is necessary for the following reasons.

(1) The Sub Division is a very scattered one, ranging now from Kullar to Vayitri, a distance of 110 miles. This necessitates a great deal of travelling on the part of the Sub Division Officer with the result that his accounts and corres-

- pondence

Correspondence are always late even with 2 clerks.

(2) The number of references concerning Military works at Wellington is very great and they are always marked "urgent" and require speedy disposal.

(3) The Kullar Gudalur Road is maintained by daily labor necessitating the preparation of voluminous Nominal Rolls and Ten-day Reports, all of which fall on the Sub Division Clerk.

(4) The improvements of the Vayikri Gudalur Road have been lately added to the work of the Sub Division and will increase it considerably.

2. With reference to your query as to how the salary of the temporary clerk can be met, I presume it can be met, as heretofore, from the grant for temporary establishment.

I

I have the honor to be,
Sir, Yr^{ts} Serv^t

Your most obedient servant,
(By order)
Sd/- J. H. Ragavandra Row
