GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

Military Works.

READ—the following paper:—

From W. B. DEWINTON, Esq., Executive Engineer, Nilgiri Division, to the
Superintending Engineer, IV Circle, dated Ootacamund, 18th August 1888,
No. 2024.

With reference to your endorsement No. 235, dated 1st June 1888, I have the

1. Improving peons' quarters ...	rs. 2,840	honor to enclose herewith two estimates amounting, as per margin, to Rs. 3,015 for improving and repairing the peons' quarters below Mount Stuart at Ootacamund for early sanction and provision of funds.
2. Repairing do. ...	175	
Total ...	3,015	

2. The improvement estimate provides for renewing the roof of the lines with corrugated iron on new timbering, providing new doorways with teak batten shutters and for a V-shaped drain under the eaves of the lines. The existing roof is very leaky, being built of bamboo reepers and rafters with mats and pan tiles; the rafters in many of the rooms have decayed and many of the tiles are broken, &c. The V-shaped drain is much needed to carry away the drainage so as to prevent the cutting up of the slopes, &c.

3. The repair estimate, amounting to Rs. 175, is chiefly for white and color washing the walls, with petty repairs to plastering, steps and walls, &c.

4. The estimates have received the countersignature of the Quartermaster-General and the approval of His Excellency the Commander-in-Chief.

5. The estimate, amounting to Rs. 505, for repairing the Native Infantry lines sanctioned in your Register No. 90/87-8 may now be cancelled, as the repairs were not undertaken for want of funds last year and they refer to these very lines.

6. The book-value of these lines is not known as the whole property formerly known as Bombay Castle buildings was purchased for Rs. 85,000 by Government, but Rs. 7,200 may be taken as the present value of the two blocks now in question.

No. 357 E.W.

Forwarded to the Chief Engineer, Public Works Department, with reference to his memorandum, No. 235 D, of 28th May 1888, with a request that he will be good enough to obtain sanction of Government to these estimates.

OOTACAMUND,
22nd August 1888.

(Signed) R. DRAKE-BROCKMAN, Lieut.-Col., R.E.,
Superintending Engineer, IV Circle.

12TH SEPTEMBER 1888, No. 2834 W., PUBLIC WORKS.

ORDER—dated 12th September 1888, No. 2834 W., Public Works.

The estimate, amounting to Rs. 2,840, for improving the peons' quarters on Mount Stuart at Ootacamund is sanctioned for execution when funds are available. The Superintending Engineer will, if possible, propose a transfer of funds as none are available with Government.

2. This sanction has been registered as Provincial No. 84 of 1888-89 and classified as Civil Buildings, Original Works.

3. The repair estimate can be carried out from the allotment for repairs made to the Nilgiri division.
