READ—the following paper :—

Proceedings of the Board of Revenue (Land Revenue), dated 1st February 1889,
Mis. No. 557.

THE HON. J. GROSE, M.A.

From L. R. BURROWS, Esq., Collector of Nilgiris, to the Secretary to the
Commissioners of Land Revenue, dated Ootacamund, 24th December 1888,
No. 555.

In July last, the Executive Engineer applied to this office for the acquisition,
among others, of a small piece of land, measuring 264 feet by 3 feet or about 2 cents
of an acre, out of settlement No. A/51-A, situated within the limits of the Well-
ington cantonment (Coonoor village) and registered as belonging to Captain W. H.
Riddell, for the purpose of excavating a channel for the supply of water to the
Government bakery at Wellington.

2. The land required contains 13 large and 17 small blue gum trees.
3. Captain Riddell and his local agent, who were asked to state what amount of
compensation they would accept, demand a sum of Rs. 1,000 for $\frac{1}{2}$ an acre with trees,
and have not stated the amount they claim for the smaller area though they were
requested to do so.
4. Their action implies that they would sell half an acre with trees for 1,000
rupees and not less.
5. The Deputy Tahsildar of Coonoor estimates the value as follows :—

	RS.	A.
2 cents of land at Rs. 100 per acre (outside value)	...	2 0
13 large blue gum trees	...	13 0
17 small do.	...	2 2
Total	...	17 2

This appears to be a reasonable valuation.

6. But Captain Riddell was offered a round sum of Rs. 20 as compensation and
it is not accepted.
7. As there is no prospect of a settlement by private arrangement, I have the
honor to request that Government may be moved to notify the land for acquisition
under Act X of 1870 (the Land Acquisition Act).
8. A draft notice is herewith submitted.

Resolution—dated 1st February 1889, Mis. No. 557.
