DOWLAISHWARAM, 9th February 1889

SIR,

I have the honor to report that the Godavari Western Division officer states that he proposes to employ for 3 months B. Sakshamiak one of the Delta Supts on the special work of Surveying the Contern drain; as the Division officer finds it impossible to procure a surveyor fit for the work and recommends that travelling allowance may be passed to him as he will be put to some extra expense by this duty. I support the recommendation and request that you will be good enough to obtain the sanction of Government to Sakshamiak being allowed to draw the travelling allowance for the period he.

may be employed on the survey work.
 2. In 1885, 1886 & 1887 the same Det^{ty} Superintendent was employed on survey duties and was granted traveling allowance vide G.O No. 2399 W. dated the 6th September 1887 and again under G.O No. 2557 dated 18th August 1888.

I have the honor to be,
 Sir,
 Your most obedient Lt

Ruedrich - Buckman Lt Col R.E.
 Sup^{ty} Engineer 1st Circle
