The Officer Incharge

Reference: His endorsement No. A. d/
23 January/86, on letter No. 24 dated 11th
Idem from Mr. Rosemayer Surveyor.

Has the honor to inform him that
coolies may be employed for the carriage
of tents whenever Mr. Rosemayer removes
his camp and this arrangement will be
^{much} made cheaper than having a monthly
cart. Further it is not likely that a
cart can be obtained in the country
through which the Surveyor has to pass.
A cart may be used when it can be
got also.

Sir,

Dowlaishweram.

With reference to your endorsement No.
410 V.Z. dated 2nd November/88 on the Chief Engr's
Memo No. 4108 C dated 25th October/88, I have the
honor to forward herewith a statement showing the
outlay incurred on the carriage of tents the property
of Government.

2. I have to state that the cost of conveyance
of tent has been borne by Government since 1886. Mr.
Rose-Mayer Surveyor applied for the approval of
the Executive Engineer in his No. 24 of 11-1-86 and

the late Mr. T. D. Harris, approved of the same. Vide
Copy of this Office Letter No. 1578 dated 29-1-86 herewith
sent.

3. The conveyance of tent was first charged to "Survey-
ing & Levelling Road from Moraput to Jagdalpore" Estimate
amounting to Rs. 1500-... sanctioned in your Register
No. 118 of 85-86 and G. O. No. 327 Wd/ 6.2.86. The estimate
itself provides for the carriage of Tents (Rs. 130). This
work was kept open from March/86 to June/87 and a
completion Report was also sent to the Examiner P. W.
Accounts, Madras.

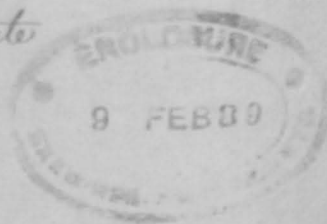

4. The first objection raised by the Examiner P.
W. Accounts Madras to the expenditure was in his audit
Note on the accounts of January 1888 received in this Office
on the 19th April 1888.

With reference to para 2 of
Executive Engineer's letter No. 1611
dated 3rd. December 1888, I beg to
state that if charges for conveyance
of tent were incurred in 1886, it
would seem that they must have been
improperly shown in the accounts as
departmental expenditure, as no vouchers
for any such payments were received
by me until receipt of vouchers for
payments charged in the accounts for
November 1887, and the objection was
raised on the accounts for January
1888.

2. I observe that a com-
plete audit of the accounts is im-
possible, so long as the details of
any portion of expenditure, can
escape scrutiny, owing to the non-
submission of vouchers.

3. The outlay incurred from
November 1887 to July 1888 for carri-
age of tent, as per accounts render-
ed to my office, amounts to Rs. 151-5-0
and not Rs. 152-4-0 as shown by the
Executive Engineer in the statement
furnished by him. The monthly
charges as they appear in the accounts
are as follow :-

Outlay incurred in	
November 1887...	Rs. 17-7-0

Please favour me with your opinion whether the charges can be sanctioned by this Govt. as a special case.

To W. Enc. 2

The charges for the conveyance of tents were incurred under the authority of the late Mr. Harris Executive Engineer Vizacapatam Division and seeing that Mr. Harris is dead and that Mr. Rosemeyer is no longer employed, the charges may, I think, be sanctioned by Government as a special case.
