OFFICE OF THE SUPERINTENDING ENGINEER,
6TH CIRCLE.Trichinopoly, 6th February 1889.
1889.

No. 584 P.N.

From Major D. McN. Campbell R.E.
The Superintending Engineer,

6th Circle.

To

The Chief Engineer
P. W. D.

Sir,

ENCLOSURES.

One G. Sanninathar Aiyar, a temporary clerk on Rs 15 on the Vaigai Bridge work in the Madurai Dn, was promoted and transferred to the Ramanad Dn as clerk V class 1st grade, sub-protem, in place of one Channpakesa Naidu on other duty. The former was relieved from the Bridge work on the afternoon of 23rd January / 88. he joined the Ramanad Dn office on the afternoon of the 26th idem, and assumed his duties under the Overseer of Tiruchuli. Taking on the afternoon of 1st February / 88, on receipt of orders of the Executive Engineer who was then away from

his head quarters.

2. Until Sanominaatha Aiyer assumed charge of his duties, one Sundara Nadar was acting in place of Chembakesa Naidu, and pay which was first disallowed by some mistake in the Executive Engineer's office, has been lately passed to the latter up to 1st February 1888 - the date of his relief by the former - Sanominaatha Aiyer.

3. Sanominaatha Aiyer now claims pay & allowances from the 24th January to the 1st February 1888, but the Executive Engineer considers that as the former was only a temporary hand until he assumed charge of his duty at Simululi on the afternoon of 1st February 1888, he is not entitled to pay or allowance up to that date. This view of the case does not

appear correct.

4. I have therefore the honor to recommend that the claim of the clerk may be sanctioned under Section 160 Rules 10 & 12 of the Civil Leave Code and para 433 A note of the P.W. Code.

I have the honor to be

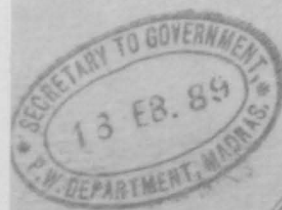

Sir

Your most obedient servant

J. W. Campbell Esq. R.E.

Supt. Engineer Madras.

No 207 dated 15th February 1889

Forwarded to the Chief Engineer, Public Works Department for disposal, with the remark that the claim will be admitted if sanctioned by Government under Section 160 Rule 12 of the Civil Leave Code and Code para 433 A note.
