To

The Secretary to the Government of Madras,
Public Works Department.

Calcutta, the 15th February 1889.

Sir,

Shewn & H.C.
A.H. de

To be communicated
to the Board
with reference to this
letter.

I am directed to acknowledge the receipt
of your letter No. 86 W. dated the 14th ultimo, --
requesting sanction to the retention in the Depart-
ment of Mr. J. W. Brassington, Executive Engineer,
for one year from September next when he will
attain the age of 55 years, and alluding to the possibility
of an application for a further extension.

2. - In reply, I am directed to point out that, since
the introduction of Rule 9A of Section 110 of the Civil
Pension Code, it has in no single instance been
relaxed

relaxed with regard to Officers of the Public Works Department. At the present time, when there is still a considerable surplus of officers, and many have been granted special leave, the necessity for a rigid enforcement of the rule is greater than heretofore, and even if the Government of India were to recommend a special relaxation in favour of Mr. Brassington, the Secretary of State would almost certainly object to it on the ground of the frequent representations made to His Lordship regarding the excessive strength of our present Establishment.

3. - For these reasons, I am directed to state that, the Government of India, while regretting that inconvenience should be caused to the Madras Government by a rigid enforcement of the 55 years rule in this particular instance,

is

557
is unable to sanction its relaxation.

I have the honour to be,

Sir,

Your most obed^t. Serv^t.

G. Hawtken
