TO The Accountant General
Fort Saint George

Sir
I have the honor to acknowledge
the receipt of your letter No. 261 dated
29th instant, received this day, and
to inform you in reply that the
figures supplied by the Engineer on
the 24th instant in connection with
my Budget estimate for cash
requirements for various construction
for the year 1889/90 are as follows:-

Works 9,80,000
Establishment 70,000
Tools and Plant 1,00,000
Expenses 50,000
Rs. 12,00,000

Total for 1889/90 In the lakhs
2 The Total Amount of
advances

advances received up to date for
 1888/89 is Rs. 4,70,000
 For February shall require 60,000
 and for March 70,000
Rs. 6,00,000

Total for 1888/89 Six lakhs

The last bill is dependent upon what bills are received from England for stores supplied through the India Office, but will be approximately correct.

In addition to the above I hold your letter No. 1 dated 7th August 1888, authorising the advance of a further 20,000. This sum is required for meeting payments due to the estate of the late Corjiri Ali Nakhoy as explained in my letter No. 1891 dated 4th idem, but has not yet been drawn on the claimants have been to law with each other, and an injunction has been received from the High Court not to pay till further orders. This I understand will shortly be removed, so the total cash requirements for February and March 1889 will

with this aggregate Rs. 1,00,000.

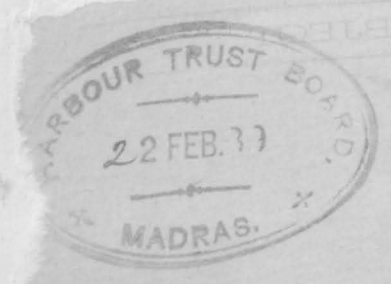

I have the honor to be
 Sir

Your most obedient servant
