GOVERNMENT OF MADRAS.

PUBLIC DEPARTMENT.

READ—the following paper:—

Despatch from the Right Honorable Viscount CROSS, Her Majesty's Secretary of State for India, to His Excellency the Right Honorable the Governor in Council, Fort St. George, dated India Office, London, 20th December 1888, No. 21, Public (Records).

It has been found that some of the files of Civil Lists and Histories of Services in the Record Department of this office are far from complete, especially in the earlier issues. I transmit, therefore, a statement of the present contents of these files, and request that your Excellency will cause the list to be examined with a view to making up, as far as possible, the deficiencies therein. I shall be glad to receive a copy, if available, of each of the numbers found to be missing, and desire to be informed, at the same time, of the date of the first issue of each series, in order that it may be known whether the file is complete from the beginning.

2. I take this opportunity of requesting that the number of copies sent home for the Record Department of the Quarterly Civil List may be increased to 10, while the Revenue and Public Works Departments' lists may be reduced to 10 and 22 copies, respectively.

3. This supply is intended to be independent of the advance copy of each Civil List and History of Services sent to the address of the Financial Secretary at this office.

ORDER—dated 14th February 1889, No. 161, Public.
