GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

Buildings and Roads.
Civil Works.

READ—the following papers:—

Proceedings of the Board of Revenue (Land Revenue), dated 13th January 1888,
Mis. No. 199.

H. S. THOMAS, Esq., F.L.S., F.Z.S.

Read—the following letter from H. M. WINTERBOTHAM, Esq., Acting Collector of
Malabar, to the Secretary to the Commissioners of Land Revenue, dated
Calicut, 6th December 1887, No. 6291:—

With reference to the Board's Proceedings, dated 29th September 1886,
Mis. No. 7256, I have the honor to forward, for the sanction of Government, the
estimate alluded to in the enclosed copy of a letter from the Superintending Engineer,
IV Circle, dated 24th November 1887, No. 431 M., for the erection of the proposed
new cutcherry at Calicut.

2. The total of the estimate, as now revised by the Superintending Engineer, is
Rs. 1,89,970.

3. So far as I am able to judge, the plans and estimate are complete and provide
for all necessary accommodation except for the Currency Department which I under-
stand is likely to be abolished shortly; but on this point I have no definite infor-
mation. The Currency Office can, till its abolition, continue in the building which it
now occupies. This arrangement will not occasion any great inconvenience.

Resolution—dated 13th January 1888, Mis. No. 199.

The revised estimate for constructing a new cutcherry at Calicut, called for in
G.O., dated 20th September 1886, No. 5520, is herewith submitted to Government.
The estimate amounts to Rs. 1,89,970; deducting therefrom the contribution promised
by the Local Fund Board for providing accommodation for its office, viz., Rs. 21,594,
there remains a balance of Rs. 1,68,376 which is Rs. 1,624 below the cost fixed by
Government for the building.

(True Extract.)

(Signed) R. S. BENSON,
Acting Secretary.

No. 1697, Revenue.

The revised estimate is approved and transferred to the Public Works Department.

FORT ST. GEORGE,
12th March 1888.

(Signed) J. F. PRICE,
Secretary to Government.

Note by the Chief Engineer, Public Works Department.

The upper part of the porch is considered unnecessary. All that is requisite is a *porte cochère* which might be terraced and plastered with Portland cement, the corners being finished off with ornamental pedestals.

2. Connecting passages to the record-room and Press buildings will certainly be required and might be made as shown in dotted lines on the site plan.

3. The rates for painting and asphalt flooring are in excess of the scheduled rates, and no explanation is given of the cause of excess.

4. With these remarks the drawings for the different buildings are approved, and as the estimate, after deducting the contribution of the Local Fund Board, will fall within the limit of Rs. 1,70,000 fixed by Government in their Revenue Proceedings, No. 5520, dated 20th September 1886, the plans and estimates are submitted to Government and recommended for sanction.

16th April 1888.

(Signed) J. O. HASTED, Colonel, R.E.,
Chief Engineer, Public Works Department.

ORDER—dated 21st April 1888, No. 1186 W., Public Works.

The estimate, amounting to Rs. 1,89,970, for constructing a Collector's office at Calicut, is sanctioned.

2. Attention is drawn to the note by the Chief Engineer, Public Works Department, above recorded.

Works	...	...	...	...	RS.	21,594	3. The amount to be contributed by the Local Fund Board for the accommodation to be provided for its office will be Rs. 26,885 as shown in the margin.
Establishment	...	...	...	...	4,967		
Tools and plant	...	...	...	...	324		
Total	...	...	...	...	26,885		4. The sanction accorded in paragraph 1 of these proceedings has been registered as Provincial, No. 4 W. of 1888-89, and classified as Civil Buildings, Original Works.

(True Extract.)

(Signed) J. O. HASTED, Colonel, R.E.,
Secretary to Govt., P.W.D.

To the Superintending Engineer, IV Circle, with forty enclosures.
" Examiner, Public Works Accounts, with the duplicate general abstract estimate.
