READ—the following paper :—

From the Secretary to the Government of India, Military Department, to the Secretary to the Government of Madras, Public Works Department, dated Fort William, 18th February 1889, No. 299 M.W.

I am directed to acknowledge the receipt of the letters noted in the margin, requesting certain information and instructions regarding the dates on which Lieutenant W. M. Ellis and Lieutenant F. Baylay, R.E., took up their duties as Sub-Marine Mining officers, and the dates from which they will be entitled to count their service in the Public Works Department. It is further asked whether the Government of India desire to issue any instructions in regard to the date of Lieutenant Ellis' promotion to the first grade of Assistant Engineers, as otherwise the Government of Madras would propose that he should be promoted from the date on which he joined from leave.

2. With reference to these letters, I am to observe that the dates on which Lieutenants Ellis and Baylay respectively took up their appointments as Sub-Marine Mining officers were communicated in this office letter No. 1827 M.W., dated 21st September 1888. These dates should be shown in the classified lists of the Public Works Department as the dates on which these officers respectively joined the Public Works Department for the first time as supernumeraries. But in considering questions of promotion, the orders contained in the Resolution of the Government of India in the Public Works Department, No. 613 G., dated 14th March 1888, should be followed.

3. The Government of India have no objection to the proposal that the promotion of Lieutenant Ellis to the first grade of Assistant Engineers should have effect from the date on which he rejoined from leave, viz., 5th December 1888.

ORDER—dated 4th March 1889, No. 637 W., Public Works.

Recorded for guidance.

2. With reference to para. 4 of G.O., No. 382 W., dated 11th February 1889, the Chief Engineer will inform Lieutenant Ellis that his promotion to the first grade of Assistant Engineers has effect from the 5th December 1888.
