SIR

Enclosure

Site plans.

In reply to your No. 19 W.C., dated 14th Instant, I have the honor to forward a plan of the site of the Police Hospital, Mangalore, as it was before and after being handed over to this Department.

2. There is nothing known about any right of way of 24 feet wide. The ground was open and a narrow undefined track about 8 ft wide existed through, leading also to and from the Municipal latrines.

3. Before any building, the President of the Municipality was necessarily consulted, and the direction and width of road to be left was entirely his decision. A road 18 ft wide I had
