18TH FEBRUARY 1889, No. 101, REVENUE.

GOVERNMENT OF MADRAS.

REVENUE DEPARTMENT.

READ—the following Proceedings of the Board of Revenue (Land Revenue), dated 21st January 1889, No. 36 :—

THE HON. J. GROSE, M.A.

Read—the following letter from E. GIBSON, Esq., Acting Collector of Tanjore, to the Secretary to Government, Revenue Department (through the Commissioners of Land Revenue), dated Tranquebar, 22nd September 1888, No. 574 :—

With reference to Government endorsement No. 4391 (herewith returned), dated 27th July last, on letter of the Commandant, South Indian Railway Volunteer Rifle Corps, I have the honor to report as follows.

2. As directed in G.O., dated 22nd February 1887, No. 194, Revenue Department, the old taluk cutcherry at Negapatam was handed over by the Public Works Department to the Railway Volunteer Rifle Corps.

3. In June 1887, the Commandant applied to the Executive Engineer, 'Negapatam Division, for the sub-jail and out-houses, together with the adjoining land. Though this land was not in charge of the Public Works Department, but remained in that of the Revenue Department, the Executive Engineer, apparently under a misapprehension, transferred it also to the corps along with the buildings applied for. It is about this piece of land that the Commandant has addressed Government in his letter under reference. As he has already been put in possession of the land, I beg that a formal sanction be accorded for the transfer.

ENCLOSURE.

From Lieutenant-Colonel C. E. CRIGHTON, Commandant, South Indian Railway Volunteer Rifle Corps, to the Secretary to Government, Military Department, Ootacamund, dated Negapatam, 11th July 1888, No. 204-246.

I have the honor to request that, with reference to G.O., dated 22nd February 1887, No. 194, Revenue, in which orders were given that the old taluk cutcherry at Negapatam should be handed over to this corps as a place-of-arms, I was under the impression that the land also adjoining the cutcherry which I had previously applied for was also included in the Government order for the use of the corps as a parade ground. This I find was not included, and I now beg to request that Government will sanction this land being granted to the corps in addition to the taluk cutcherry, sub-jail, and other buildings which have already been given.

2. Mr. R. Morris, the Acting Head Assistant Collector of Tanjore, has, I believe, recommended, through the Collector, that the land should be handed over, and it only requires the sanction of Government for such being done.

3. I enclose plan of the ground colored red showing the buildings thereon, and shall feel greatly obliged if early possession can be given.

To the Collector of Tanjore, with plan and enclosure,
to be returned.

Reference on the above, dated 1st October 1888.

The Collector is requested to report the area and value of the land required.
2. If it is only needed as a parade ground, there is no reason why it should not
be so used, without passing out of the possession of Government.

(Signed) H. A. SIM,
Acting Secretary.

To the Collector of Tanjore.

Read—the following letter from E. GIBSON, Esq., Acting Collector of Tanjore,
to the Secretary to the Commissioners of Land Revenue, dated Paralim,
8th January 1889, No. 2 :—

Referring to Board's reference on General Register No. 3233, dated 1st October
1888, I have the honor to state that the extent of the land required by the South
Indian Railway Volunteer Corps is 10 mahs 20 $\frac{1}{2}$ gulis (3.372 acres), and that the
value thereof (at Re. 1 per guli) comes to Rs. 1,020-4-0.

2. As regards paragraph 2 of the reference, I beg to submit that the land does
not pass out of the possession of Government, but it passes simply from the possession
of the Revenue Department to that of the Military Department. The corps want to
mark the parade ground and separate it from the adjacent lands by boundary marks.

Resolution—dated 21st January 1889, No. 36.

Submitted to Government, with reference to their endorsement, No. 4391, dated
27th July 1888.
