Madura Collector's office
14th December 1888.

GOVERNMENT OF INDIA
LAND REVENUE

From

The Deputy Collector
In charge of the Treasury
Madura.

To

The Collector of Madura.

Sir,

The Cobble attached to the
wall of the floor of the upper
story on the southern side of the
Collector's Office room, having
crumbled and fallen, owing
to the beams thereunder giving
way, repairs at a cost of Rs 42
were carried out under the
supervision of the Executive Engi-
neer, Madura Division, as the
work required professional aid.

The

Rev. 505
1889

The work has been completed
 and the Executive Engineer
 desires that the amount of
 the Estimate may be placed
 at the disposal of the P. W.
 Department, as he cannot
 accept cash in addition to
 his credit at the Treasury.
 The Accountant General in
 reply to this office reference
 states in his letter No 3645
 dated 28th November last, that
 sanction of Government should
 be obtained in the Financial
 Department for the transfer
 of the work to the agency of
 the P. W. Department to enable
 that Department to obtain
 the necessary funds. I therefore
 request that sanction of
 Government

2. An estimate for Rs 920 was
 sanctioned by you for the
 repairs of the Jail and partly
 Deputy Sahildar's office and
 the amount was placed at the
 disposal of the Dy Sahildar
 in March last, which, not
 having been utilized was
 kept under Personal Deposit
 and it remains so still. The
 Government having since sanc-
 tioned the construction of a
 lawt. house for the Submagis-
 trate at a cost of Rs 2420
 and as the work is to be
 executed by the P. W. Department,
 the General Duty Dy Collector,
 Madras, thinks it advisable
 that

that the said repairs may
also be executed by that
Department (vide his letter no
631, dated 25th August last, ad-
dressed to you). I request
therefore, that sanction of
Government be obtained
for transferring this work
also to the P. W. Department.

I have &c
