GOVERNMENT OF MADRAS.

FINANCIAL DEPARTMENT.

READ—the following paper:—

Resolution of the Government of India, Department of Finance and Commerce (Leave and Leave Allowances), dated Calcutta, the 9th February 1889, No. 721.

Read—the following letter from Her Majesty's Secretary of State for India, to the Government of India, dated 15th November 1888, No. 119, Public (Educational):—

I have to inform your Excellency in Council that Mr. C. W. R. Tepper, late of the Bengal Educational Service, died in London on the 21st of July last while on sick leave granted by the Government of Bengal.

2. Although Mr. Tepper was not entitled under the terms of his agreement (clause 9) to any leave or leave allowances before completing five years' service, I have not interfered with the action of the Bengal Government in granting him leave with pay, and I have allowed his legal representative to draw the balance of furlough pay, namely, 25*l.* 2*s.* 9*d.*

3. In consideration of the fact that Mr. Tepper died on the day after his arrival from India, and as a matter of grace, I have also granted to his representative the sum of 35*l.* 8*s.* 4*d.*, being the equivalent of Rs. 500 at the official rate of exchange, on account of the cost of a passage from Calcutta to this country.

4. I shall take no steps for filling this vacancy, unless your Excellency in Council asks me to do so.

5. The Government of Bengal having erroneously granted furlough to an officer not entitled to it, and the Government of Madras having acted in like manner in two recent cases,* it seems to me advisable that your Excellency in Council should

call the attention of the several Local Governments and Administrations to the conditions under which Educational (and many other) officers are engaged in this country for service in India. If their health fail during the prescribed period of their first engagement, the proper course is to terminate the engagement in the manner provided by the agreement, unless there are reasons which make it desirable that the services of the officer should be retained and there is a fair expectation of his being fit to return to duty after a moderate amount of leave of absence.

6. I request your Excellency to issue such orders as will guide the Local Governments in adopting a uniform course of action in such cases, both as to the grant of leave and the pay of the officer while absent.

Resolution—

In accordance with the instructions of the Secretary of State, His Excellency the Governor-General in Council is pleased to rule that, if the health of an officer, who is serving in this country under an agreement which does not give a title to leave until

the expiry of a fixed period, fails during that period, his engagement should be terminated, according to the terms of the agreement, unless—

- (1) he has exhibited such special ability that it is desirable on public grounds to retain him even at the cost of the difference between a leave allowance and any passage money, &c., due under his agreement; and
- (2) it is certified that he will in all probability be able to return to duty at or before the end of six months.

In cases in which the officer is retained in service, leave may be granted for a period not exceeding six months, and on allowances not exceeding half-pay.

Order—

Ordered, that this Resolution, together with a copy of the despatch, be communicated to all the departments* of the

Government of India, and to the several Local Governments and Administrations; to the Comptroller and Auditor-General;

to all Accountants-General and Comptrollers; to the Head Commissioner of Paper Currency; the Director-General of the Post Offices of India; the Mint and the Assay Masters, Calcutta and Bombay; the Commissioner of Northern India Salt Revenue; and to the Superintendent of Government Printing, India.

ORDER—dated 21st February 1889, No. 115, Financial.

Recorded.

2. It is observed that, in the case of Mr. Ward, permission to absent himself from his duties was granted. Furlough carrying pay was not, as supposed by the Secretary of State, sanctioned in either case, although, under a misapprehension, sick leave in India for a short period, carrying half-pay, was granted to Mr. Brown.
