NOTE OF REMARKS.

The plan and Estimate amounting to Rs 5020 under review provide for certain alterations to block No 4 in the Central Jail at Rajahmundry to adapt it for an office for the Sub Collector.

The accommodation provided is as follows

Ground Floor

1 Sheristadars room 24 × 14
1 Clerks — do — 50 × 14
1 Record — do — 24 × 14

First Floor

1 Sub Collectors Court room 30·6" × 24·9"
1 — do — Office do 24 × 16·6"
1 — do — Bath do 14·6" × 7·6"

The accommodation provided is more than that allowed in the type design.

The alterations proposed to the existing building are trifling viz

(1) Converting the small grated openings into doors and windows in all but the record room.

(2) Removing a partition wall between two rooms so as to make one large room for the clerks, also removing two other walls in the front entrance to make room for the staircase.

(3) Opening a doorway between the Sheristadars room and the clerks room, and opening another doorway between the Sheristadars room and the main entrance

The proposed additions are

(1) One large Court room on the 1st floor

(2) Wooden Stairs covered in with a terraced roof and some other minor additions & alterations

The roof of the Court room is to be terraced, the remainder of the roof is ~~what~~ termed Spring terrace.

~~The direction of the pitch of the proposed truss roof seems open to objection as it would give the room a very awkward appearance inside it would perhaps be better if the pitch was the other way that is running the gable at the ends of the room instead of at the sides.~~

The scantlings of the roof timbers are correct & the rates as far as can be checked are fair.

The following lump sum provisions are made in the Estimate

Scaffolding —	Rs 50
Carriage of woodwork to site —	" 10
Clearing site —	" 10
Contingencies ~~[illegible]~~	75
Petty Supervision —	" 80

Record Racks —— Rs 200 -
Workshops Outage at 35%
on Rs 2584 ———— Rs 900

It is assumed that the Record Rack is to be constructed in accordance with the type design but the dimensions of the rack is nowhere stated in the Est. This information should be given as there are several sizes of racks.

~~The workshops outage also may be questioned as it is abnormally high~~ -

The plan & Est: have been countersigned by the Collector and approved by Govt: in the Revenue Deptt:-

1/3/89 -

The outage charged is correct - vide G.O. 3632 W d/16th Nov 188 and paras 4 & 5 of S. 7 - P.W. Code Chap II
