Public Works Department letter No. 436 G., dated 25th February 1887, to Finance Department.

Two of the proposals affecting the Public Works Department, which were made by the Finance Committee in the note quoted in the preamble, will be dealt with in this Resolution, namely,—

First,—that military officers of the Public Works and Military Works Departments, whose pay is on the military scale, should draw Presidency house-rent on the civil scale, that is, on the same scale as officers who draw consolidated pay;

Second,—that Presidency house-rent should cease to be drawn by officers of the Public Works and Military Works Departments at hill stations.

3. The second proposal is also approved, and in future no house-rent will be granted to members of the Public Works and Military Works Departments at hill stations; but the allowances drawn by present incumbents, so long as they hold their present posts continuously, will not be affected by these orders.
