I think it will be better to telegraph tomorrow, to the officers concerned, about going to Chatham for study. The last trooper leaves in 6 weeks, and the officers we wrote to have had plenty of time, to make up their minds. /

The list can go in to the Mil.y Secy on Wednesday – the telegrams being sent Monday. /

We cannot give the information asked for in (a) & (b) at present; but the question raised in (c) must be settled. It was never intended that the average of the last 3 years should be calculated on any but Indian pay; the Ex now proposes to calculate it partly on English pay. The point must be settled by the Govt of India Govt.

We have not heard yet whether Capt Boddy's leave has been granted – in fact there has hardly been sufficient time. It is proposed to await the usual intimation through the Military Dept that Capt Boddy has completed his course & that leave has been granted to him.
