Resolution—

In the Resolution read in the preamble, the orders defining the powers of Local Governments in sanctioning expenditure for which no provision is made in the estimates were summarised and re-affirmed. The question has now been raised whether these rules apply to Local expenditure. The restrictions contained in the rules are rendered necessary by the fact that the Government of India, in making its general arrangements for ways and means, necessarily takes into account all expenditure estimated to be met from Provincial and Local revenues and balances, and inconvenience may arise if the aggregate grant for Provincial and Local expenditure is exceeded without the previous sanction of the Government of India. The Governor-General in Council accordingly directs that the following shall be substituted for clauses (b) and (c) of paragraph 6 of the Resolution of the 22nd April 1884:—

A Local Government may, without reference to the Government of India, sanction expenditure in excess of the budget grant under any Provincial or Local major or minor head, provided the increase does not cause the aggregate budget grant for Provincial and Local expenditure to be exceeded.

Order—

Ordered, that this Resolution be communicated to all Local Governments and Administrations, and to all Accountants-General and Comptrollers.

Ordered, also, that this Resolution be communicated to the Comptroller and Auditor-General, with the request that clauses (b) and (c) of Rule 17, Chapter XVI, of the Civil Account Code, may be corrected in accordance therewith.

(By order.)

Offg. Under Secy. to the Govt. of India.
