PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following Resolu-

tions of the Board of Revenue
(Land Revenue) dated 15th Feby. 1889,
No. 968 Wms. on the following:-

1. Endorsement of the Secretary
to Government, Revenue Depart-
ment, dated 17th December 1888,
No. 4534, on that of the Secretary
to Government, Public Works
Department, dated 5th December
1888, No. 4848 C, on that of the
Superintending Engineer, IV
Circle, dated 29th November 88,
No. 533 on letter from the Executive
Engineer, West Coast Division,
dated 23rd November 1888, No. 688.

2. Reference thereon, dated
16th January 1889:-
Forwarded to the Collector

for report.

3. Letter from the Collector of South Canara, dated 26th January 1889, No. 260.

In returning the enclosures of the Board's Reference on Government Register No. 2723 of 1888, dated 16th January 1889, I have the honor to state that there is no necessity for a separate building for the Town Sub Magistrate, if the standard plan can be altered so as to provide for him under the same roof. I think it necessary in this connection to point out that, as the subsidiary jail here has been abolished (prisoners being accommodated in the District jail), there will be no necessity for that portion of the building shown in the standard plan

plan. A Police lock up should, however, be provided. Perhaps a building containing the sub-Magistrate's office and the lock up can be substituted for the jail building of the standard plan.

Resolution

Submitted to Government with reference to their endorsement, No. 7534, dated 14th December 1888, on the reference from the Public Works Department, No. 4848 C, dated 5th December 1888. The Board agree with the Collector in considering it ^{unn} necessary to have a separate building for the Town Sub Magistrate if provision can be made for his office in the proposed Taluk cutcherry.

2. Provision should be made by 7/3/89

and for a Police lock up, in
lieu of the subsidiary Jail in
preparing plans and estimates
for the new Taluk Cutchery
at Mangalore.
