EXECUTIVE ENGINEER, PERIAR DIVISION.

To,

THE SUPERINTENDING ENGINEER,
Periyar Project Works.
~~SIXTH CIRCLE~~.

SIR,

Enclosure 1

I have the honor to bring to your notice the inconvenience which will be felt if pensioners employed in these works have to go away periodically to receive their pensions.

2 This matter has already been brought to notice with regard to military pensions, and arrangements have been made for such pensions being paid by me here.

3 One of my Store-keepers is a Civil pensioner, and I asked the Treasury Dy. Collector if arrangements could not similarly

be made, for me to pay the pension here, and I enclose his reply stating his inability to comply with my request.

4 There is only one case of the kind now, but it is not improbable that other pensioners may be employed in course of time, and it is needless for me to describe to you in detail the great inconvenience which would be caused by the periodical absence of these men.

6
2083 P.W.

5 I request, therefore, that steps may be taken to empower me to pay all pensioners Civil as well as Military on such dates as may be appointed.

I have the honor to be,

Sir,

With reference to your letters Nos. 1675 P.W./15-11-88 and 1709 P.W./17-11-88, I regret that under the rules none but a Treasury Officer can disburse pension. Arrangements were made for the payment of the pension in question at Periacolam, as requested by the pensioner himself. But as Uthamapoliem is the Treasury nearest to his station, I can, if desired, order payment there. On hearing from you, instructions will be sent to the Sub-Treasury Officer i.e the Dy Tashildar at that station.

2

The

The rules require that the first payment of a pension should be made to the pensioner in person; subsequent payment may be made through an agent at any sub treasury on production of the pension certificate, of an affidavit in the subjoined form signed by the pensioner and attested by the aforesaid agent, of a receipt for the pension signed by the pensioner and of a life-certificate signed by a Government Servant or pensioner or other well known and trustworthy person.

2. The pensioner under any circumstances, will have to appear in person before the sub treasury officers at least twice a year (viz in January and July) for the purpose of being mustered.

Sir,

In returning the correspondence forwarded for my report with your Endorsement No. A.B. 7302 of 2nd Instant, I have the honor to inform you that the Executive Engineer, Periar Division having requested this Office to dispense with the attendance at Musters and payments, of certain Pensioners who are employed in the Periar Works, on the grounds that it would entail a long absence from their duty, if they were required to attend, for the above purpose, at their Pension station, I accordingly issued orders+ for their exemption from attendance at payments and Musters, and directed the Officer in Charge of Pensioners at Trichinopoly to which station they are atte[illegible]d to forward (for reference and return) their Pension Certificates to their Employer for their identification, and also to forward these Pension Certificates on the occasion of every Annual Muster, in order that the f[illegible]t of their having been duly examined and iden[illegible], might be entered in the Nominal

Roll

Roll of Pensioners examined annually and submitted to this Office, and I further directed the Officer in charge at Trichinopoly to remit to the said Employer, on the receipt of Life Certificate signed by him, the amount of the pensions of the employed men, for payment to them either monthly or once in four months.—

2. I take this opportunity to bring to notice that by employing Military, instead of Civil, Pensioners on all such works of a public nature, employers will not be put to any inconvenience by the absence from their duties, of the men employed, as arrangements for their periodical identification and payment are made as above by this Department.—

No. AAD/460 P

From
I. W. Rawlins Esq.
ACCOUNTANT-GENERAL TO THE
GOVERNMENT OF MADRAS,

To
THE Chief Secretary
to Government,
Financial Department,
Fort Saint George.

SIR,

With reference to your Endorsement dated the 12th of January 1889, referring to me for report, letter No. 1814 P. P. dated 28th November 1888, from the Executive Engineer, No. 1 Periar Division, requesting authority to pay all pensioners of the Civil Department employed on Periar Project Works, I have the honor to state that under Section 169 of the Civil Pension Code, the Local Government may at its discretion, specially exempt a pensioner from appearing in person to receive payment of his pension, without requiring the submission of a Medical Certificate of inability to attend; but the submission of a Life Certificate cannot be dispensed with, the presentation of such a Certificate at the Treasury being the only safeguard which the Treasury Officer possesses against a fraudulent payment.—

2. The Executive Engineer, Periar Division, himself is not a Disbursing Officer. The Treasury Officer before making payment of the pension will require the production of a Life Certificate, of a receipt signed by the pensioner,

7

of the pensioner's half of the Permanent Pay Order, and of the orders of Government exempting the pensioner from appearing in person. If the Executive Engineer can arrange to satisfy the Treasury Officer on these matters, there can be no objection to the former, upon special sanction of Government, being permitted to draw the pension from the nearest Treasury, and to pay the pension as desired.—

3. The above arrangement seems to be somewhat similar to the one adopted by the Military Department, (vide letter No. 3534 dated 8th February 1889 from the Superintendent of Pensions, received with Endorsement from the Controller of Military Accounts, No. $\frac{A.B.}{7601}$ dated 14th Idem, copy accompanying), and also to the one sanctioned for the payment of pensions at Pondicherry in G.O. No. 908 dated 22d May 1878, Financial.

4. The papers received with your Endorsement under reply are herewith returned.—
