PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following Proceedings of
 the Board of Revenue (Land Revenue) dated
 13th February 1889 No 908 Mis, on letter from the
 Collector of North Arcot, dated 31st January 1889,
 Reference on General English No 207. —

I have the honor to request that
 the Board will be pleased to obtain the
 sanction of Government for the construction,
 at Chundragiri, of a new Taluk Kacheri —
 according to the Standard design.

2. The present Kacheri is an old
 inconmodious, native house, in bad repair,
 dark and ill-ventilated. The treasury arrange-
 ments are $\frac{3}{2}$ raceful, the treasure being
 kept in a box like a dog kennel. There is
 no proper accommodation for Police, for
 the Thasildar, magistrate and for records.
 The construction of a new building is ab-
 solutely necessary.

3. The Superintendent of Police, Mr Agar,
 has..

has complained that there is no guard
room in the present Kacheri, nor a safe
nor a store of arms, and that
there is no shelter for the sentry over the
Sub Jail, which is a considerable hard-
ship during rainy weather. It is unreason-
able to expect good and cheerful work from
a Taluk Establishment in such surround-
ings. The Taluk Kacheri at Chittoor is not
satisfactory, but I would not press for a
new office at present. I cannot speak
of Polur and Wandewash, which I shall
visit next week, but all the other Taluks
in the District except Chandrahari have
had superior and fair provision made
for the Kacheri office. I trust therefore that
this is the only claim for a new building
which I shall have to put forward on
behalf of this District.

Resolution.

Submitted for the favorable
consideration

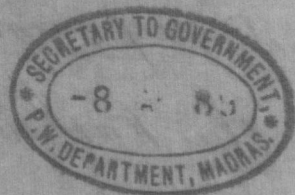

consideration of Government. 734

Order thereon 4th March 1889 No 1343.

Kacheri on the Standard design at
Chandrahari is approved and the necessary
orders will issue in the Public Works
