DOWLAISHWARAM, 31st October 1888

SIR,

With reference to your Memo No. 4066 C dated 24th Instant, I have the honor to forward herewith for your information extract from the Ledger of Buildings maintained in the Eastern Division Godavari.

2. This shows that whereas the sum of Rs. 1980 only has been received as rent from the Master Attendant, Cocanada for Marine Villa, the sum of Rs. 10,185-11-7 has been spent on it in putting it originally into good order & in subsequent repairs.

3. The repairs amounting to Rupees 610 now called for are to the verandah.

alone which owing to the inferior quality and scantling of timbers originally used is always requiring attention - The only remedy I see for it is to have the whole of the timbers in it removed & stouter ones substituted, but this will probably add another 200 Rupees to the estimate that has now been prepared -

4. The pay of the Port Officer is only Rs. 350, so that he has been paying Rs. 5 in excess of what he may be legitimately called upon to pay under the provisions of G.O. No. 2981 d/22 Sept 1888. I would suggest therefore the abandonment of the building, and a call for tenders for the purchase of the same by notice in the Godavari, Krishna, & Vizagapatam Gazettes.

I have the honor to be,
Sir,

your most obedient St.

Ruedin. Krishna, St. Col. R.

Executive Engineer.

From the Presidency Postoffice Mass.
to the Chief Clerk of the U.S. Marine Dept.
No. 4 dated 19th Feb'y 1889.

In reply to marine department
Reference No 1077 of 1888 (enclosure
herewith returned) I have the honour to
state that during my recent visit
to Canada I inquired into the question
forming the subject of the Reference
above quoted, and found that no
other house accommodation suitable
for the Post office was obtainable.

2. The present building is most conveniently situated for the officer in charge of the post, being in the near vicinity of his office & the prison.

3. The proposal of the Capt Engineer
I think to increase the post could
not, I submit, be entertained unless
the Post officers' emoluments are
consequently increased

4. The present post office is
willing to under take to keep the

building in thorough repair if he
is permitted to reside in the same
rent free, (vide letter forwarded
in original to be returned) and I
beg to submit this proposal to
Government for favourable
consideration
