By order of the
No 415 All
Gangai Division Office
Berhampore 5th February 1899

From

The Executive Engineer
Gangai Division

&
The Presidency Port Officer
Madras

Sir,
With reference to your letter No $\frac{10}{26}$ dated
22nd ultimo, I have the honour to state that the
Original Estimate sanctioned by the Superintending
Engineer for the improvements of the Calcuttapatam
light house was for Rs 1450 but as some of its
items were under estimated and the Examiners
of Public Works Accounts will not pass any Expendi-
-ture over the sanctioned amount Rs 1450. it
is necessary that the Estimate should be revised
and again sanctioned by the Supg. Engineer
but before submitting it to him, it was sent
to the Port Officer Calcuttapatam as is done in
other Departments for his countersignature and return
On receipt of the Estimate countersigned either
by the Port Officer of Calcuttapatam or by you
it will be sent to the Superintending Engineer
for

for Sanction.

2. I further beg to state that the sum of Rs. 1805/- referred to in your letter under reply includes 23 per Cent for Establishment and 1 1/2 per Cent for Tools and Plant charges on the original Estimate viz Rs. 1450 already sanctioned. As the revised Estimate amounts to Rs. 1600/- the total sum be placed at the disposal of the Public Works Department will together with Establishment and Tools and Plant charges amount to Rs. 1992/-

I have the honour to be

Sir

Yours most obedt Servant

M. J. C. M. R.

PRESIDENCY PORT OFFICE,
Madras, 19 February, 1889.

FROM

THE PRESIDENCY PORT OFFICER,

MADRAS,

TO

THE CHIEF SECRETARY TO GOVERNMENT,

MARINE DEPARTMENT,

FORT ST. GEORGE.

SIR,

In S. C. Financial Department, No. 635, dated 16th August, 1888, a sum of Rupees (1805) one thousand eight hundred and five, was made available for improvements to the Calingapatam Lighthouse, but as some of the items in the Estimate for that amount were under estimated as explained in a letter dated 5th February 1889 No. 1546, from the Executive Engineer (forwarded herewith in original) that Officer has now submitted the accompanying revised estimate amounting to Rupees (1600) one thousand and six hundred for the work in question. To this amount has to be added Rupees (392) Three hundred and ninety two on account of Establishment and Tools and Plant charges, which makes the

3

the total of the Estimate Rupees (1992) one thousand nine hundred and ninety two.

2. On my recent visit to the northern ports I inspected the Calingapatam Lighthouse and am of opinion that the proposed repairs are necessary. I would recommend therefore that sanction may be accorded to this expenditure and that the sum of Rupees (1992) one thousand nine hundred and ninety two be placed at the disposal of the P. W. D. from Port Funds.

3. According to the last revised accounts in connection with Port Funds, the parts of the Sangam District collectively exhibit a deficit balance, but Calingapatam individually has a credit balance of nearly Rupees (29869) twenty nine thousand eight hundred and sixty nine and is thus in a position to meet the expenditure above proposed.

I have the honor to be
Sir,
Your Obedient Servant
