NOTE OF REMARKS.

The estimate under
revision amounting
to Rs 596 provided for
a 3 ton travelling crane
and with much required
for use in the Cuddalore
Division.

There appears to be
some mistake in the
price of the crane
as per Mr. J. M. Storer
Price list, the iron
work of an ordinary
crane (3 tons) is Rs 621
that of a portable
crane to lift 2 tons
is Rs 917-15-8, apparently
there are no portable
3 ton cranes in store.

The rates for the work,
fittings, and other charges
cannot be checked.

The price of cranes
being considerably
in the present case
the crane has been
put up and a book
of specifications
