Letter No. 5753

Dated 23rd February 1889

From the Supy. Engineer I. K. K.

The work of the Public Works Department may be sanctioned by the Government.

NOTE OF REMARKS.

The accompanying is a completion Report on the construction of the platform for the 10 ton crane at the Madras Basin.

The amount sanctioned for this work is Rs 2570. The expenditure incurred is Rs 3102-12-6 showing an excess of Rs 532-12-6 which is explained as due to the extension of the platform and to the renewal of the landings and landing steps on each side of the crane, to certain repairs to the crane itself, and to workshop charges & general charges. The total sum is Rs 3102-12-6.

Report

I have the honor to submit for sanction of the
excess outlay, a completion report for constructing a
platform for 10 Ton Crane at Madras Basin on the
Buckingham Canal. The amount of the estimate sanc-
tioned for the work was Rs. 2570 and the actual
outlay incurred is Rs. 3102-12-6. The excess outlay of
Rs 532-12-6 is due to additional work done to
stone landing on either side of Crane site and certain
Repairs to Crane itself and percentage of workshop &
General charges.
