No 7140 301 Executive Engineer's office,  
801 1 West Coast Division,  
Calicut 21<sup>st</sup> December 1888.

From

Colonel A. J. Fraser, P.E.,  
Executive Engineer,  
West Coast Division.

To

The Superintending Engineer,  
Fourth Circle.

Sir,

I have the honor with reference  
to Government Proceedings No 3492 of  
3<sup>rd</sup> November 1888, to request you will pass  
the following to the Superintending Engineer  
1<sup>st</sup> Circle, for disposal, as it does not appear  
there was any irregularity in the case, only  
this that the features do not stand out  
distinctly in the correspondence with the  
Examiners and others, of several months.

2. Sub Querser D'Vilca on the  
Potungi ghat got sick and was granted  
the usual Privilege leave in lieu of sick  
leave

leave by the Superintending Engineer for 1 month and 28 days on the 3<sup>rd</sup> November 1886, the leave extending from the 17<sup>th</sup> September to the 17<sup>th</sup> November.

3. The authorised payment of two months' salary (or Rs 100 less income tax) was made under Civil Leave Code, Chapter 4 para 138-1.

4. This was it happened but two days' pay over the mark, and paid on the only information accessible at the time.

5. Long after, the Examiner discovered that the Sub Overseer had only 1 month 16 days to Credit which caused the discrepancy of 12 days.

6. In the meantime Mr D'Silva under the impression he had 1 month and 28 days' leave, stayed till its close, and was thus by the Examiner's reckoning 12 days over his time.

7. No difficulty in recovering the disallowance would have arisen had it not

not been for the discharge ordered by Government of all Temporary Establishment in November, an exceptional measure, which, combined with the sickness left the Executive Engineer without any resource in the matter.

I have &c &c,

SIR,

With reference to Lieut. Col.  
Fraser's letter to the address of the Supg.  
Engineer 4<sup>th</sup> Circle, which was sent to me  
with your endorsement No. 274 C of 21-1-89,  
I have the honor to inform you that  
one month and 28 days privilege leave  
was granted to Mr. D'Silva late temporary  
Sub-Overseer on the recommendation of  
Lt. Col. Fraser. See copy of that officer's  
letter No. 1119 of 23-10-86 herewith for  
perusal.

If Mr. D'Silva was entertained in Novr 1884 and worked continuously until 17<sup>th</sup> Sept. 1886 he would appear to have had about a month and 27 days' privilege leave at his credit. Please say how the 1 month & 16 days' leave which your office reported was due to Mr. D'Silva was calculated.

 12 Mar.

With his letter No 1119  
 Dated 23rd October 1886,  
 Lieut Colonel A. J. Fraser —  
 at that time the Executive  
 Engineer of the Vengalputam  
 Division — forwarded to the  
 Supt Engineer I Circle an  
 application from sub owner  
 Mr. J. W. D'Alva for two  
 months privilege leave and  
 reported that the sub owner  
 had had no leave since  
 his indentment in Nov  
 ber 1884

8

2. On the strength of this  
 application the Supt Engineer  
 sanctioned privilege leave  
 for one month and 28 days  
 and the Executive Engineer  
 gave the sub owner an  
 advance of two months  
 pay under rule 1 para

HM

138 of the Civil leave Code  
3. The Engineer Public  
Works Accounts subse-  
-quently ascertained that  
owing to Mr. D'Silva's ser-  
vices having been dispensed  
with from the 31<sup>st</sup> March  
1885 to the 23<sup>rd</sup> April 1885  
he had only 1 month and  
16 days privilege leave at his  
credit at the time that the  
privilege leave was granted  
him.

4. Mr. D'Silva had, however,  
left the Department before  
action was taken in the  
matter and difficulty was  
experienced in recovering  
from him the sum of Rs  
15-15-8 overpaid to him  
by the Executive Engineer.  
The amount was accordingly  
written off under the sanction  
accorded in para 10 of G.O.  
No 3492, W. dated 3<sup>rd</sup> Nov 1888.

5. It is clear from the  
foregoing that the overpayment  
was due up to the first instance to the in-  
correctness of the Ex Engineer's report  
referred to in para 1 of this order and  
the disapproval of the Govt. has already  
been communicated to the Executive  
Engineer in para 2 of G.O. No. 3492 W  
dated 3<sup>rd</sup> November 1888. No  
further orders appear necessary.
