READ—the following paper:—

From the Resident in Mysore, to the Chief Secretary to the Government of Madras, dated Bangalore, 7th March 1889, No. 817-288.

I have the honor to acknowledge the receipt of your letter, Political No. 46, dated the 30th January 1889, inquiring what will be the amount of compensation for the garden lands above the waterspread of Miller's tank.

2. In reply, I beg to state that the compensation for the garden lands above Miller's tank No. 1 and No. 3 will be very heavy, considerably more than Rs. 70,000 being the rough estimate. The nuisances complained of in the earlier correspondence have been to a great extent removed or mitigated, and as I am in hopes that by next hot season a proper water-supply for the troops and the civil and military station will have been inaugurated, I would suggest that the purchase of these lands be postponed for the present.

Transferred to the Public Works Department with reference to G.O., No. 81 W., dated 14th January 1889.
