No. 614 T.E.N.

From Major D. McN. Campbell R.E.
The Superintending Engineer,
6th Circle.

To The Chief Engineer
P. W. D.

Sir,

ENCLOSURES.

I have the honor to report that P. Renga Iyer, Clerk 1 class 1st grade belonging to the permanent establishment, was doing duty in the Ramnad Division, while the Overseer, under whom he was employed was on privilege leave and subsequently transferred to another Division. During the time Renga Iyer was employed in that Division one of the 5 temporary clerks on the 15 sanctioned in G.O. No. 1004 W dated 28 March 1888 was not appointed.

2. On the 8 December 1888 Clerk P. Renga Iyer was transferred to the Sivamelly Sⁿ; and the Executive Engineer Ramnad Sⁿ was requested to appoint

a duly passed man as a temporary clerk on Rs 15 per mensem.

3. The Executive Engineer appointed a man, who had passed matriculation examination on the expectation that he ~~will~~ ^{would} pass the hand writing test, for which he appeared in December 1888, but the clerk failed to pass the test this year.

4. The Examiner of P.W. Accounts in his list of disallowances from the salary bill of the Ramnada Sⁿ for December 1888, retrenched the pay of the clerk in the absence of information as to whether he has passed hand writing test.

5. The Executive Engineer, in reply to a reference made on the subject, has stated that he appointed the man as no other qualified person was available at the time when the services of a clerk were urgently needed.

6. The Executive Engineer has

808
again reported that the services of the clerk were dispensed with on the afternoon of the 6th Instant.

7. Till the receipt of the Examiner's disallowance list, I was not aware that the man was not fully qualified. Under these circumstances I request that you will be good enough to authorize the Examiner of P.W. Accounts to pass the pay of the clerk from the 28th December 1888 to the 6th February 1889, both days inclusive.

I have the honor to be

Yours

Your most obedient servant

J. W. Campbell Major R.E.
