For orders

813

In the statement  
of establishment for the  
proposed drawing branch  
of the Ch. Eng'g office,  
sanctioned in G.O. No.  
178 W of 23-1-89, no  
provision was made  
for manual labour.

It will be necessary  
to have a couple of  
barcans to see the office  
opened & swept in the  
morning, & closed at  
night, & to carry  
papers to & from the  
main building & the  
drawing branch. These  
duties in the Lithographic  
press are now per-  
formed by the press-  
men, who will be

discharged on 1<sup>st</sup> April

owing to the distance  
of the lithographic de-  
pots (where the drawing  
branch will work) from  
the Secretariat estate, it  
will not be possible  
to tell off any of the  
existing staff of persons  
for duty in the drawing  
branch, - more especially  
as nearly half the  
staff of persons will  
proceed to Muzammas  
early in April.

It is proposed therefore  
to retain two of the press-  
men as assistants on Rs 6  
each per mensem - the  
cost of the drawing branch  
will thus be increased  
by Rs 12 per annum,  
but the gratification of the  
two men will be saved.  
Sanction is solicited.

Approved by Mr. 11.3.59

To H. M.  
Hole

With reference to the  
H. M. remarks on the  
enclosed draft order, it  
is submitted that from  
1<sup>st</sup> April, the cost of the  
drawing branch will be  
charged to the establish-  
ment budget of the Chief  
Engineer's office. It was  
therefore thought unneces-  
sary to send the proposed  
order to the Financial Dept.

Two horses are proposed  
as one of them will fre-  
quently be out on duty.  
They will also have to  
take in turn about to  
receive camp of the fire  
from the night watchman  
at 7 a.m. & hand over  
charge again at 6.30 or  
7 p.m.

I have the draft  
order. 14.3

## PROCEEDINGS OF THE MADRAS GOVERNMENT.

UNDER date the

again  
READ the following

813

Proc. of Govt. No. 178 W of 23. 1. 89.

Read also

Note by the Chief Engr No. 6 of 11. 3. 89.

Sanction is accorded to the employment from 1st April 1889, of two lacarors on Rs 6 each per mensem, in the drawing branch of the Chief Engr's office. The scale of establishment sanctioned in G.O. No. 178 W of 23. 1. 89, will accordingly be increased by Rs 12 per mensem.

This sanction has been registered as Provincial No. 72 W of 1889-89, & classified as Estab. Permanent.

12.3.89 12/3/89

This should have gone to the Financial Dept as the grant is charged to the Treasury. One man should perhaps suffice, but as the estimate is to be reported on at the end of a year, I don't object to have the proposal.
