19TH MARCH 1889, No. 824 W., PUBLIC WORKS.

GOVERNMENT OF MADRAS.
PUBLIC WORKS DEPARTMENT.

Buildings and Roads.
Military Works.

READ—the following paper :—

From Colonel H. SMALLEY, R.E., Superintending Engineer, III Circle, to the Chief Engineer, Public Works Department, dated Bellary, 8th March 1889, No. 2786.

Several applications have been made to the Executive Engineer, Bellary, to rent the vacant military buildings at Rámandrug during the ensuing hot weather, and that officer has referred to me as to the rent that should be fixed for each.

The buildings available for rent are as follow :—

	Value. RS.
1 Block married quarters with outhouses for two sergeants and eight privates	60,000
1 Barrack with outhouses	75,380
1 Hospital with do.	50,000
1 Apothecary's quarters with outhouses	5,253
1 Commissariat Sergeant's quarters	6,000

2. In 1884 Colonel Vibart proposed to rent the buildings at the following rates, viz. :—

	RS.
Hospital for the whole, Rs. 40 a month, for half	20
Barrack 2 end rooms, each	20
Married quarters per quarter	10
Apothecary's quarters	20
Commissariat Sergeant's quarters	20

These rates are of course nothing like 8 per cent. of the value of the buildings, a percentage which would be really prohibitive in case like this. They seem fair and I request I may be allowed to accept them and to give notice accordingly. The buildings were placed in charge of the Public Works Department till again required for troops in G.O., No. 3143 W., dated 6th October 1888. I presume there is no objection to officers other than Government officers renting the buildings.

ORDER—dated 19th March 1889, No. 824 W., Public Works.

Ordered that the Government of India be addressed.

rently be submitted
to the G. of S. for sanction,
as the proposed rates of
rent are far below

rules -

Clause III of the Rules
says that when Govt.

private persons, the rates
should be the same as
those ^{prevailing in the locality} ~~prevailing~~ for similar
accommodation belonging

the same time they cannot,
without India's sanction,
be less than the rates
prescribed by the Rules.
