Extract from Proceedings of the
Local Fund Board, Coimbatore Circle,
at a meeting held on Saturday the
29th January 1881.

— 813

12. Proceedings of the Board of
Revenue, Mis: N^o. 1491 of 7th February
1880, requesting to report whether the
Local Fund Board is willing to
take over some more of the D.P.W.
buildings:—

also list of buildings together with the
opinion of the Sub Committee and other
papers on the subject:—

Resolution—

Resolved that buildings 1 to 19
in the list be taken over on the condition
proposed in the Executive Engineer's
letter N^o. $\frac{2271}{2591}$, dated 10th December 1880.

Memo 1429/1889

Ref: on N^o $\frac{294}{238}$

Coimbatore,
District Board's Office,
27th February 1889.

From,

J. H. A. Tremenhare, Esq.,
President, District Board,
Coimbatore,

To,

The Executive Engineer,
Coimbatore.

Sir,

The Satyamangalam Taluq Board have in their resolution N^o 5 of 16th January 1889 (Copy enclosed) sanctioned an expenditure of Rs 90 for the repairs of the Inspection Shed at Pullur (Kanjai Subhempatti), Satyamangalam Taluq on condition that half the cost be borne by the Public Works Department.

2. The shed in question is one of those buildings taken over by the Local Fund Board on the conditions proposed in your letter N^o $\frac{2271}{259}$, dated

10th

10th December 1880, one of which is, that the cost of the repairs should be divided equally between the P.W. and the L.I. Departments. (Vide enclosed copy of the Local Fund Board's resolution No. 12 of 29th January 1881). The transfer of the buildings to the Local Fund Board has been sanctioned in G.O., No. 2102 W, dated 25th August 1881.

3. I have, therefore, the honor to request that you will be so good as to sanction half the amount of the expenditure proposed to be incurred by the Taluk Board towards the repair of the shed in question.

I have &c
(Sd) K. Subbarayadu,
Vice President for President.

W. Smith Lt. Col. R.E.,
Supg. Engineer, 4th circle.

Encls 1
Recd. 24/2/89

Executive Engineer's office,
Coimbatore, 7th March 1889.
No. 810.

From, J. W. Martin Esq.,
Executive Engineer,
Coimbatore Division,

To,
The Superintending Engineer,
Fourth circle,
Coimbatore.

Sir,
In forwarding the accompanying letter No. 294, dated 27th February 1889 from the President, District Board, Coimbatore with 2 enclosures (to be kindly returned) I have the honor to inform you that the President of the District Board demands from the P.W. Department Rs 45/- being half the cost of the proposed repairs to the inspection shed at Pullur (Nanja poolimpatti) Satyamangalam Taluk.

2. In G.O., dated 25th August 1881, No. 2102 W, it is stated that "the transfer of

of the buildings to the Local Fund Board is sanctioned on the condition that they are kept in repair by the Board and surrendered should they hereafter be required for Govt. purposes."

3. It is not stated in the above G.O., that half the cost of repairs should be borne by the P.W. Department although the Executive Engineer stated in his No. $\frac{2271}{2591}$, dated 10th December 1880 that half the cost of repairs would be borne by this Department and the Superintending Engineer would sanction this.

4. As the shed in question never appears to have been used by this Dept., I do not think that the District Board is justified in demanding moiety of cost of repairs from this Department in the absence of Government Order on the subject.

5. In these circumstances I have the honor to request your instructions whether

whether the amount claimed for repairs is to be paid or not.

I have recd
6/8/81 (sd) J. W. Martin,
Executive Engineer.

No. 116
Encl. 3

Submitted to the Chief Engineer,
P.W. Department for favor of orders.

2. The building in question with 19 others were transferred to the then Local Fund Board in the year 1880. Vide list No. 299, dated 22nd September 1880. Ever since this department paid no contribution towards the upkeep of these buildings.

+ No. 2102 W, dy
25th Aug. 1881.

3. Moreover the G.O., transferring the buildings is explicit. "The transfer of the buildings to the Local Fund Board is sanctioned on the condition that they are kept in repair by the Board, and surrendered should they hereafter be required for Government purposes?"

4. In these circumstances there is
no reason why this department should
contribute anything towards the repair
of these buildings.

Aldrich Lt. Col. R.E.,
Supg. Engineer, 4th Div.
