21st MARCH 1889, No. 858 W., PUBLIC WORKS.

GOVERNMENT OF MADRAS.
PUBLIC WORKS DEPARTMENT.

General.
Establishment.

READ—the following papers :—

From J. HANNAN, Esq., Superintending Engineer, II Circle, to the Chief Engineer, Public Works Department, dated Bezvada, 8th February 1889, No. 490 G.L.

With reference to para. 6 of G.O., No. 3920 W., of the 13th December 1888, passing orders on the preliminary issue of the provincial budget for 1889-90, I have the honor to forward herewith, for your approval and sanction of Government, a statement of proposition for revision of temporary establishment for 1889-90.

2. In this is included the establishment required and applied for by the Executive Engineer, Nellore division, with reference to the latter portion of the inspection report of the Executive Engineer's office by the Superintending Engineer. Please see your memorandum No. 4603 C of the 21st November 1888.

3. I request also sanction for the entertainment of the following men for the period noted against them during the current year :—

- (1) *Nellore Division*.—Continued employment of one clerk on Rs. 15 sanctioned in G.O., No. 3126 W., of 18th November 1887, from the 22nd January 1889 to end of February 1889.
- (2) *Kistna Eastern Division*.—A messenger for Mr. Mildred, Assistant Engineer, on Rs. 6 from the 24th January 1889 to end of February 1889.

4. I request the favor of your early sanction to these proposals.

5. The office establishment required for temporary Upper subordinates has not been included in the enclosed statement, as a general sanction for the same has been accorded in G.O., No. 537 W., of the 16th February 1888; also please see G.O., No. 3707 W., of the 23rd November 1888. I have also to state that the requirements under this head are fluctuating and cannot be properly estimated for beforehand.

STATEMENT of proposition for revision of temporary establishment for 1889-90.

(Signed) J. HANNAN,
Superintending Engineer, II Circle.

The entries in column "Present scale" of the proposal statement have been checked and found correct, except that the pay of the temporary clerk for Gudivada division has been sanctioned in G.O., No. 368 W., dated 9th February 1889, at Rs. 50 per mensem instead of at Rs. 60 as entered in the statement.

2. An additional lascar sanctioned in G.O., No. 1445 W., of 16th May 1888, for each of the overseers in the Buckingham canal division against permanent establishment is shown in this statement, apparently with reference to para. 3, Examiner's Office Note No. 1376, dated 20th April 1888.

3. With reference to para. 5 of the Superintending Engineer's letter, the Superintending Engineer is correct in stating that he cannot estimate the requirements on account of office establishment under temporary upper subordinates as also under permanent upper subordinates for whom the services of supernumerary clerk or lascar are not available. All that need be done in such cases is for the Superintending Engineer to report to the Examiner, at the time of making them, all temporary appointments made.

ORDER—dated 21st March 1889, No. 858 W., Public Works.

The statement of temporary establishment required for the II Circle during 1889-90 is sanctioned; but the provision therein made for the Gudiváda division has been struck out, as the establishment required for that division has been separately sanctioned (*vide* G.O., No. 759 W., dated 13th March 1889).

2. Para. 3 of the Examiner's Office Note will be communicated to the Superintending Engineer for information and guidance with reference to para. 5 of his letter above recorded.

3. This sanction has been registered as Provincial No. 73 W. of 1888-89 and classified as Establishment, Temporary.
