READ—the following paper :—

From G. H. D. WALKER, Esq., Under Secretary to the Government of India, Public Works Department (General), to the Secretary to the Government of Madras, Public Works Department, dated Calcutta, 9th March 1889, No. 694 G.

In reply to your letter No. 3153 W., dated the 8th October 1888, and subsequent reminder No. 371 W., dated the 9th ultimo, I am directed to state that the Government of India is pleased to confirm the sanction accorded by the Government of Madras to the disbursement of the special allowances sanctioned for the staff of the Periyár Project to the whole of the establishment, permanent and temporary, for periods spent above the ghâts.

2. I am, however, to state that the grant of the allowances to members of the temporary establishment should be now discontinued, inasmuch as temporary employés, whose salaries should be fixed with reference to local disadvantages are not entitled to local allowances.

3. These allowances should be drawn only for periods spent above the ghâts. They should not, however, be retrenched on account of absences not exceeding ten days.
