At the commencement of the past N.E. monsoon, six large umbrellas were, as usual, purchased for the use of persons of this office at a cost of Rs. 1/2.

The charge was disallowed by the Exr under G.O. No 2174 W.D. 17-7-88, and the amount has been repaid by W.

The G.O. quoted has been taken by C to be of general application in the P.W.D., & it is proposed to codify the ruling - vide G.O. No 3808 W.D. 3. XII. 88.

G.O. No 2174 W.D. 17-7-88 was based on a note by the Hon'ble Mr. Hutchinson, in which he disallowed an application for umbrellas for

The Bilgiri division office has
on the ground that umbrellas
had not been asked for by
the ~~persons~~ ^{men}. It seems doubtful
whether the ~~Gen.~~ intended
his refusal in that one
case to be converted into
a general rule.

In the wet weather
umbrellas are purchased
not so much for the
protection of the persons,
as for the papers which
they carry. The umbrellas
are kept in the office, &
are taken by the men only
when they go out on duty.
In Secretariat offices in
particular, where papers
are being continually
sent in circulation to
members of Govt., it
seems absolutely necessary
to provide such articles
in the wet weather.

It has been usual
for years past, to provide
umbrellas ~~at~~ for
the Secretariat persons
at Dootacamund, where

the evening for them seems
unquestionable, but this
season, the P.W. Secretariat
persons will have no umbrellas
if the present order be
allowed to stand. Persons
of other depts. will doubtless
be supplied as usual,
& the distinction will be
invidious.

If it be considered
desirable to maintain
the order, it is submitted
that the Secretariat should
be exempted from it
on the ground that papers
have to be circulated to
Hon. members houses -
otherwise there will be
trouble at Dootacamund
during the coming season,
if papers get wet, it
is the Govt. that will

Note by the Dy Chief Engineer for Irrigation

No 12 En 86

An expenditure of Rs 12.15-0 was incurred in supplying umbrellas to the Duffadar and peons of this office during the months shown below:-

At Cochin

April 1887. Four cloth umbrellas at Rs 1 1/2 each 6-0-0
 March 1888. Do Do 6-0-0

At Madras

October 1888. Five Cudjow umbrellas at Rs 3 each 15-0-0
 Total 12.15-0

The umbrellas were supplied to the men to enable them to secure from damage during the rains the official papers entrusted to them for carriage. The Examiner of P. H. Accounts audited and passed the first two items only and disallowed the third item with reference to G.O. No 2074 M dated 7th July 1888. That order is apparently intended to refer to the supply of turbans and umbrellas to the peons employed in the plains in the Tanjore Circle. It was not originally communicated to this office and does not therefore appear to have been intended for general application. Moreover the expenditure was incurred before a copy of the order was furnished to this office on application.

2 Out of Rs 16 10-0 the cost of the white lining supplied in October last to the Duffadar and peons of

of this office for use while at Madras, the Examiner
disallowed Rs 10. 6. 4 on the ground that the total
expenditure on warm clothing and livery during the
two years ended on 31st March 1889 exceeded the limit
of Rs 240 fixed in Office note no 96 dated 5th June 1888
by No 10. 6. 4. In arriving at this conclusion the
Examiner has included Rs 12. the cost of ^{the} umbrellas
supplied to the duffadars and peons in March 1887
and April 1888. It was pointed out to him that there
is nothing in para 824 of the P.W. Code to indicate
that "livery and warm clothing" include umbrellas.
In his rejoinder the Examiner insists on the sanction
of Government being obtained.

3. Under the above circumstances it is requested
that the Examiner of P.W. Accounts may be authorized
to pass the expenditure already incurred.

4. Hitherto the duffadar and peons have been
supplied with umbrellas when necessary and it is
believed that this is the practice in other departments
of the Secretariat. It seems desirable that it should be
definitely laid down for future guidance whether the
supply of umbrellas to inferior servants for the protection
of official papers is prohibited and if not whether the
cost should be met from the limited sum fixed
for warm clothing and livery or from office contingencies
