I Walter Gaven King M.B. Surgeon Major
do hereby certify on honor that G. P. Bartles Raji of the
Public Works Depament, Kurnool, is in a bad state of health
and I solemnly and sincerely declare tht according to the best of my judgment the
circumstances of his case are such as t require immediate leave of absence and
change of air for the period of three months absolutely necessary.

Kurnool,

22 Feb: 1889.

W. G. King M.B.
Surgeon Major.
District Surgeon.

Statement of the case of G. P. Bartle Esq.
Executive Engineer, Thurnool.

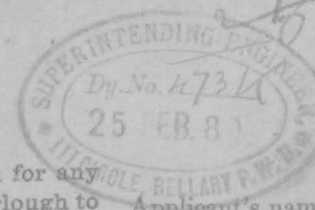

Name. G. P. Bartle Esq.
Age. 37 years.
Period of Service in India. 13 yrs. 4 months.
Do out of India. "
Leave in India. 4 months.
Leave out of India. 1 yr. 6 months.

M^r. G. P. Bartle, Executive Engineer, Thurnool has been in indifferent health for several months. He has suffered from repeated attacks of malarial fever and diarrhea. He is now much reduced in general health and complains of severe headaches, on the slightest exposure to sun. I consider the state of his health to be such as to render it inadvisable he should be subjected to exposure during the ensuing hot weather, and therefore advise that he be allowed leave for a period of three months to proceed to Rishikalis.

W. H. King

Thurnool. } District Medical & Sanitary Officer.

No. 983 C d 27 Feb 1889

9837/2

Copy of a Letter No. 258⁵¹ dated 6th March 1889
from Surgeon Major W. G. King M.B.C.M.D.P.A.
District Medical and Sanitary Officer Harmer
to the Superintending Engineer 3rd Circle.

With reference to your endorsement No. 2696
dated 28th ultimo, I have the honour to
inform you that I do not consider Mr. Carlep's
condition is such as to be aggravated seriously by
reasonable delay. Exposure to sun however is
likely to induce attacks of fever and diarrhoea
from which he has suffered, and I would therefore
advise during this hot weather that he be instructed
pending his departure on sick leave, not
to do more out door work than absolutely necessary
for efficient conduct of his duty. He would, of course,
be able to do the usual amount of office work.
2 I am of opinion that a sea voyage such
as Mr. Carlep contemplates is most desirable
for the restoration of his health, and would
advise that he be allowed to depart as soon as the
exigencies of the service will permit.
