READ—the following paper :—

From J. E. PAUL, Esq., Executive Engineer, Godavari Eastern Division, to the
Superintending Engineer, I Circle, dated Dowlaishweram, 6th February
1889, No. 700 S.

With reference to your No. 2675 G.D. of 7th January 1889, I have the honor
to report that the value of the site of the residence for the Executive Engineer may
be fixed at Rs. 250.

2. The cost of the old materials credited to the estimate has now been written
back to "Provincial Revenue" and debited to the work in accordance with G.O.,
No. 3794 W., of 1st December 1888.

3. The cost of dismantlement of the old building has not, however, been adjusted
against "Provincial Revenue," pending receipt of further instructions as the provi-
sion made in the estimate for the purpose has not been struck out by Government
as suggested in the Examiner's office note.

4. An additional grant of Rs. 1,100 is required for the current year for the work
in question as the expenditure of the year has been increased by that amount owing
to the adjustment made in accounts as shown in para. 2 above.
