Sir,

Referring to para 3 of G. O.

No. 101 W. dated 15th January 1889,

I have the honor to report that the Executive Engineer states that a gang of 50 convicts only would be available for employment on the Cuddalore water works. Private labour is plentiful and there seems no advantage in employing convict labour at such a distance from the Jail as the bulk of the work in question is. —

I have the honor

Sir

Your most Obedt Servt.
