A sum of Rs 3000 was provided in the current year's budget for constructing four latrines for males & females in the Madras Infantry lines at Pambur. The military authorities now submit an estimate of Rs 1850 for two latrines and report that only two are urgently required at present. The proposed transfer of funds is to meet the cost of these two latrines (which now become a minor work) and other minor works which are considered urgent by the military authorities.

2. The demands being urgent, this Govt. have sanctioned the transfer, pending the approval of the Govt. of India.
