GOVERNMENT OF MADRAS.
PUBLIC WORKS DEPARTMENT.

General.
Account.

READ—the following paper:—

From Lieutenant-Colonel R. R. E. DRAKE-BROCKMAN, R.E., Superintending Engineer, I Circle, to the Chief Engineer, Public Works Department, dated Dowlaishweram, 8th February 1889, No. 2985 G.D.

With reference to your memorandum, No. 95 C., dated 10th January 1889, I have the honor to inform you that the stock-taking of the Dowlaishweram workshops will take a month at least to do thoroughly and I have no officer available for this work. The new Bobberlanka lock now in progress will take up a great portion of the time of the Assistant Engineer in charge of the head-quarters sub-division and I have no one to spare from the other deltas; but if you will allow the stock-taking to be done by Mr. Vanstavern, who is resident here and than whom no more competent person can be found, that gentleman has expressed his agreeableness to undertake the work. He was similarly employed in 1885. He requires, he has informed me, no remuneration, although I suggested an allowance of Rs. 5 per diem.

ORDER—dated 21st February 1889, No. 533 W., Public Works.

The Government accept with thanks Mr. Vanstavern's offer to undertake, without remuneration, the stock-taking of the Dowlaishweram workshops. The Superintending Engineer will report the result in due course.
