DOWLAISHWARAM, December 1888

SIR,

I have the honor to request that you will be so good as to obtain the sanction of Government under para 176 of the I. R. Code for employing as Lock Supt one V. Subbaroyan whose age exceeded 25 years and who held temporary and acting appointments in the Godavari Eastern Division as a writer for nearly 18 years viz from 1st August 1870 to 1st July 1888. The entries in his Service book show that he served under different officers to their satisfaction while he was acting in a permanent post but he was thrown out of employment to make room for one who had better claims. The Godavari Eastern

Division officer considers Suleborogudon
fit for a lock Supt's post.

Executive Engineer

Most Honorable Sir,

In obedience to your honor's

Endorsement No 1122 C. dated 4th February/89

forwarding for explanation a Memorandum

from the Chief Engineer asking full expla-

nation for my having joined the Department

at an early age of 14 years, I most respect-

fully beg to bring to your honor's notice

that I was educated at Masulipatam in

Telugu & a little in English, but for want

of means to maintain my parents, I had

to look for employment at the early age.

So I came down to this place in 1870 and

begged the Overseer Mr. R. Harris who was

in charge of both the Quicents & Quarries.

a Temporary Writer (Gumastah) under him. It was not then thought necessary that my age at the time of my appointment should be above 16 years, since my pay was not charged to regular Establishment, but to Quarries, just like any other daily laborer. I beg to add, at the time of my first appointment, I was too strong & well made up for my age which was about 14 years and consequently there was not any hesitation on the part of the Officers to favor me with the appointment referred to - as I was considered fit for employment notwithstanding my under age - since that time up to 1883, when I was transferred ^{to Work Shop} as a Sub Probation Clerk, I have been holding temporary appointments with out break or different salaries. As to the truth of the above facts and my age when I came here, C. Bramaniah gave now accountant Godavari Central Dist

Office, C. Bramaniah gave late Stocher Work Shops, will bear testimony since they knew me when I first joined the Department. G46

I beg to remain
