Certain — surrendered by the Superintending Engineer, IV Circle, resumed and credited to the reserve.

28TH FEBRUARY 1889, No. 581 W., PUBLIC WORKS.

GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

Buildings and Roads.
Civil Works.

READ—the following papers:—

G.O., dated 28th January 1889, No. 99 R., Judicial.

Read—the following letter from Colonel T. K. GUTHRIE, Inspector-General of Police, to the Chief Secretary to Government, dated Madras, 21st December 1888, No. 6648:—

I have the honor to forward, for sanction and for provision of funds, a supplemental estimate for Rs. 780 for certain improvements to the Police office at Mangalore, South Canara district.

2. The original estimate for additions and improvements, sanctioned in G.O., No. 2105 W., dated 25th August 1884, was for Rs. 9,200, but a revised one for Rs. 10,383 was subsequently submitted and sanctioned in G.O., No. 616 W., dated 21st February 1888 (No. 584, dated 7th March 1888, J.D.).

3. The Executive Engineer apparently agrees with the Superintendent of Police in considering that the improvements now proposed are necessary before the building can be occupied. The Superintending Engineer, IV Circle, has also approved of the estimate.

Order—dated 28th January 1889, No. 99 R., Judicial.

Approved and transferred to the Public Works Department.

2. The Government observe that this is the third estimate for improvements — the first was for Rs. 9,200, then a revised estimate of Rs. 10,383 was sanctioned, and the present is a further estimate for Rs. 780. From the letter of the Superintendent of Police it appears that not only has there been faulty design, but the standard plan has not been adhered to.

(True Extract.)

(Signed) A. G. CARDEW,
Under Secretary.

G.O., dated 21st February 1889, No. 324, Judicial.

Note by the Chief Engineer, Public Works Department.

The ceiling proposed does not appear to be really necessary. Wood-planking under the tiles was considered necessary only for the Superintendent's rooms and it is thought that the building should have a fair trial as at present constructed.

2. The sky-lights and ventilating tiles might be allowed and also the glazed shutters for the Head-quarter Inspector's room.

3. The amount of the estimate can thus be reduced from Rs. 780 to Rs. 162.

4. There is no standard plan for a Police Superintendent's office.

CHEPÂK,
8th February 1889.

(Signed) H. R. MEAD, Colonel, R.E.,
Ag. Chief Engineer, P.W.D.

No. 627 C.

Forwarded to the Judicial Department with reference to Government order in that department No. 99 R., dated 28th January 1889, the enclosures of which are re-transmitted herewith.

2. If the Chief Engineer's suggestions be approved, the estimate will be reduced and sanctioned accordingly.

3. Explanation will at the same time be called for with respect to the alleged faulty construction of the building.

(By order.)

(Signed) H. R. MEAD, Colonel, R.E.,
Ag. Secretary to Govt., P.W.D.

8th February 1889.

Order—dated 21st February 1889, No. 324, Judicial.

The Government accept the recommendations made in the Chief Engineer's note forwarded with the foregoing endorsement. The necessary action will be taken in the Public Works Department.

(True Extract.)

(Signed) A. G. CARDEW,
Under Secretary.

ORDER—dated 28th February 1889, No. 581 W., Public Works.

The estimate amounting to Rs. 162, as reduced by the Chief Engineer, for improvements to the office of the Superintendent of Police, Mangalore, is sanctioned as supplemental to the estimate of Rs. 10,383, sanctioned in G.O., No. 616 W., dated 21st February 1888.

2. The letter from the Acting Superintendent of Police of 6th September 1888 will be forwarded to the Superintending Engineer, IV Circle, for explanation with respect to the alleged faulty construction of the building.

3. This sanction has been registered as Provincial No. 138 W. of 1888-89 and classified as Civil Buildings, Original Works.
