6TH AUGUST 1888, No. 2386 W., PUBLIC WORKS.

956

GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

General.
Establishment.

READ—the following papers:—

From Colonel H. M. VIBART, R.E., Superintending Engineer, V Circle, to the Chief Engineer, Public Works Department, dated Bangalore, 16th July 1888, No. 1630.

With reference to your memorandum No. 2424 C., dated 27th June 1888, I have the honor to state that I consider the proposal of having the accounts of the bridge works made up in the South Arcot Division office may not be found to answer. A great part of the work will have to be done by departmental labor, and the accounts work will be very considerable. The work in the South Arcot Division office is as much as it can well be, and the Executive Engineer will probably want extra hands if the bridge accounts are to be given to him. I think, therefore, it would be advisable to treat the bridge works as a separate division and to have a complete divisional office establishment for the works on a reduced scale, the accountant doing the duties of head clerk in addition to his own. An extra division will perhaps give some little more work to the Examiner's office, but that should not, I think, be considered an objection.

2. When the work is in full swing, it will be necessary to have not less than two Overseers, one for each bridge, as they will have to be out on the work nearly the whole of the day, and Honorary Assistant Engineer Mr. Subramania Pillay cannot, I presume, be expected to do Overseer's work. If materials have to be manufactured departmentally, another Overseer or a good Sub-Overseer at least will be required.

3. For the Honorary Assistant Engineer, a clerk, one messenger and one lascar, and for each of the Overseer, a lascar, and for Executive Engineer, two messengers and two lascars will be required. A storekeeper will also be necessary, as there will be a considerable quantity of tools and plant. I enclose a statement of the proposed establishment which I consider really necessary, and which I request may not be reduced.

ENCLOSURE.

STATEMENT of Proposition for revision of Establishment.

MADRAS,
4th August 1888.

(Signed) C. H. P. CHRISTIE, Major, R.E.,
Examiner, Public Works Accounts.

From the Examiner, Public Works Accounts, dated 24th July 1888, No. 1951.

ORDER—dated 6th August 1888, No. 2386 W., Public Works.

The Government consider that the statement of temporary establishment proposed by the Superintending Engineer, V Circle, for the Cuddalore bridge works is in excess of requirements, and accordingly sanction* the reduced scale shown in the statement printed with these Proceedings.

2. For account purposes, the bridge works will be treated as a subdivision of the South Arcot Division, but the head clerk of the subdivisional office will assist the divisional accountant in the preparation of the accounts of the bridge works. In all matters relating to construction, the Executive Engineer will be in direct communication with the Superintending Engineer.

3. The Chief Engineer will arrange to post the requisite upper and lower subordinate staff to the works, and the office and petty establishment may at once be appointed locally.

SUPERINTENDING ENGINEER'S OFFICE,

V Circle, Madras,

Chennai, 2 March 1889.

No. 5906.

From

Colonel W. H. Burton R.E.

SUPERINTENDING ENGINEER, V CIRCLE,

To

THE Secretary to Government.
P. W. Department.

SIR,

Enclosures.

In the Establishment sanctioned
in G. O. No. 1386 W. dated 6th August
1888. for the Cuddalore Bridge
Works. the pay allowed for the first
clerk is Rs 35. This appointment was
given to V. M. Sankara Mudaliar.
Clerk & class 3rd grade in the
Chingleput Division temporary ar.
rangements being made for filling
up his place in that Division.

2. The Examiners P. W. Accounts
has disallowed pay to V. M.
Sankara Mudaliar at the sanctioned
rate viz Rs 35. and has passed
to him the pay of his permanent
appointment in Chingleput Division
viz Rs 30 - quoting as authority G. O.
No. 2414 W. dated 7th September 1887.

This

This G.O. appears not applicable
to the present case. Since the
pay is Rs 35 while the maximum
pay of the grade next higher to
that of Clerk Sankara Mudaliar
on the permanent establishment
is Rs 40. However this might be
I consider that the Clerk in
question should receive the pay
which the Executive Engineer in
Cuddalore Bridge works was
enabled to offer him by the Govern-
ment order in question.
