THE SUPERINTENDING ENGINEER

FIRST CIRCLE.

TO,

THE CHIEF ENGINEER

P. W. Department.
FOR IRRIGATION.

DOWLAISHWARAM, 16th January 1889

SIR,

With reference to G. O. No. 1 W. of the 2nd January 1889, I have the honor to inform you that the present state of affairs in the Parlakimidi & Chicacole Sub Divisions of the Ganjam Division as stated ^{was} by Mr. Garstin in para 2 of his report is correct. I do not consider however that it would be advisable to put the Sub Divisional officers under the orders of the Principal Assistant Collector without the intervention of their immediate Superior, the Division officer.

2. With regard to para 9 of Mr. Garstin's letter, estimates for temporary Survey & drawing Establishments amounting to Rs. 5500 were submitted by Mr. Subraya Chariyar, late Executive Engineer, for the more expeditious framing

of plans and estimates for works in the
Estates. These estimates were sent up to
the Court of Wards through the Collector
on the 5th December 1888.

3. With the powers granted to me
in G.O. No. 3335 W. of 19-10-88 whereby I
can sanction estimates up to Rs. 5000, the
delay anticipated by the Sub Engineer
is not likely to occur. The revision
in this Office of all estimates, I consi-
der, a most salutary check and would
not recommend its being done away
with.

I have the honor to be,

Sir,

Your most Obedient Servant

S. M. M. M.

Sub Engineer

For Sup^r Engineer 1st Circle
