Accounts.

Read the following paper:—
No. 208. From Lieutenant-Colonel HURLOCK PRITCHARD, Deputy Secretary to the Government of India, Military Department, to the Secretary to the Government of Bombay, Military Department; dated Fort William, the 16th February 1889, No. 482-F.

Accounts.

I am directed to acknowledge the receipt of the correspondence submitted with your endorsement No. 2717, dated the 8th September 1888, on the subject of the expenditure from the annual grant to the Corps of Sappers and Miners on account of equipment and practice.

2. The Officer Commanding the Bombay Sappers and Miners, in one of the enclosures, explains the large expenditure incurred during the present year as due, in a measure, to the necessity for roofing a store-shed with corrugated iron. I am to say, for the information of His Excellency the Governor in Council, that the grant alluded to is not made for such purposes, and that the construction and maintenance of buildings required by the Corps of Sappers and Miners, Bombay, should be attended to by the Public Works Department. I am to ask that instructions to this effect may be issued accordingly.

No. 482-F.

Copy of the foregoing forwarded to the Secretary to the Government of Madras, Military Department, with reference to his letter No. 6209, dated the 12th September 1888, with the request that, under the orders of His Excellency the Governor in Council, similar orders may be issued in the Madras Presidency, if the practice there does not already conform thereto.

FORT WILLIAM,
16th February 1889.
