NOTE OF REMARKS.

12.7.88

The estimate under
review amounting to
Rs 154 provides for the
repairs of the Wardens
house in the District
Jail at Tinayapattam.

It is explained that
the bamboo walls
under the gables
have been destroyed
ants as well as many
of the rafters, that some
of the rafters are decayed
and that the roof leaks
in several places, that
the exterior and the
interior of the building
has a dingy appearance
and that a few of
the single wood doors
fixed in the compound
wall have also been
destroyed by white
ants. The estimate
provides for these

and the minor repairs
in the roof is to be
discontinued and to be constructed
with fresh rafters where
necessary & support,
and flat tiles substituted
for bamboo matting.
It is proposed to dismantle
the arch in room 203
and to reconstruct
it with bricks in
masonry, to provide
doors in the rear
compartment wall, to
plaster when necessary
the white & color wash
the building and to
use other necessary
repairs -

the work is fair.

The estimate has
been countersigned
by the Inspector
General of Jails
and approved by
Capt: in the judicial
dept: -
