GOVERNMENT OF MADRAS.

REVENUE DEPARTMENT.

READ—the following Proceedings of the Board of Revenue (Land Revenue), dated 25th September 1888, Mis. No. 5765 :—

H. S. THOMAS, Esq., F.L.S., F.Z.S.

Read—the following letter from L. R. BURROWS, Esq., Collector of Nilgiris, to the Secretary to the Commissioners of Land Revenue, dated Ootacamund, 7th September 1888, No. 397 :—

In G.O., dated 19th January 1888, Public Works Department, communicated with G.O., dated 4th February, No. 828, Revenue, and Board's Proceedings, dated 18th idem, Mis. No. 1072, it was directed that the portion of 128-C required in connection with the improvement of the north water-supply scheme should be acquired under Act X of 1870 (Land Acquisition Act) as it was found difficult to get the owners to come to any reasonable private settlement as to compensation.

2. The inquiry into the claims for compensation was held in March 1888. Thiruvengadasami Mudaliar, one of the owners of the land, did not appear though a notice under the Act was served on him. Yusuph Sait, the other joint owner, appeared with his counsels Messrs. Cowdell and Winterton. He claimed Rs. 2,450 as compensation for the $2\frac{1}{2}$ acres intended to be acquired. At the same time he expressed his willingness to the following private arrangements if the acquisition under the Act was withdrawn. The terms are —

- (a) He shall take 2 acres of Government land to be mutually agreed on. This land has subsequently been selected in 99-C, out of which a portion has already been granted to Mr. Cowdell under G.O., dated 2nd June 1887, No. 531, Revenue, and a portion, about 3 acres, has been recommended for grant to Gaviappan in a separate letter of this date;
- (b) He shall be allowed surface rights over the old channel (127-C acres 0.76) after the pipes have been laid in and covered over;
- (c) He shall give right of access at all reasonable times to the new duct through 128-C and the service pipes through 127-C;
- (d) He shall undertake not to plant any trees within 15 feet of the duct on either side; and
- (e) He shall remove the trees already standing within the above margin.

3. The above terms are not objected to by the Executive Engineer, and I have the honor to recommend them for the sanction of Government in preference to the acquisition of the $2\frac{1}{2}$ acres notified under Act X of 1870, which would entail much expense and litigation. On receipt of the sanction and on both owners—Thiruvengadasami Mudaliar and Yusuph Sait—executing an agreement containing the above terms, Government will be requested to cancel the notification under Act X of 1870 published in the *Fort St. George Gazette*, dated 24th January 1888.

4. I enclose a tracing showing the course of the new masonry duct through 128-C and the old channel 127-C ; also another tracing showing the 2 acres which Yusuph Sait has agreed to accept in 99-C. It is recommended that 127-C and the grant in 99-C be both assessed at 8 annas per acre.

Resolution—dated 25th September 1888, Mis. No. 5765.

Submitted to Government, with the recommendation that the Collector's proposals in paragraphs 3 and 4 be accepted.
