By order,

R. C. B. PEMBERTON, Colonel, R.E.,

Secretary to the Government of India.

Government of India, P. W. Dept., letter No. 207 I., dated 29th November 1887.

To—The

I am directed to acknowledge the receipt of your letter No. 544 I. of 3rd September 1887, requesting the orders of the Government of India on the question of the debit of cost of temporary subordinate establishment specially engaged in connection with land acquisition to work under officers of the Revenue Department not placed at the disposal of the Public Works Department.

2. In reply, I am directed to state that in the cases provided for in the Civil Account Code, Rule 5, Chapter VI, *i.e.*, when the Civil Officer is made a Public Works disbursing officer, there is no objection to any special establishment entertained by him (under orders of Government) being charged to the works concerned. But if he is not a Public Works disbursing officer, then the charges should be brought to account in the Civil Department, and should not be debited to the Public Works Department.

Government of India, P. W. Dept., letter No. 190 I., dated 24th October 1888.

To—The

I am directed to acknowledge the receipt of your letter No. 258 Financial, dated 17th March 1888, to the address of the Secretary to the Government of India in the Finance Department, asking for a reconsideration of the orders communicated in Public Works Department letter No. 207 I., dated 29th November 1887, on the question of the debit of the cost of certain temporary subordinate establishments engaged in connection with land acquisition.

2. It is stated that the ruling would at once impose on Provincial Funds a charge amounting to Rs. 7,800 annually, and that the current Provincial Contract does not contain any provision for these constantly recurring charges which should form a debit against the projects concerned.

Cno 271 of 89

3. In reply, I am directed to state that the duty of taking up land for Government purposes is a duty which rests upon the Revenue Department, and it is presumed that in , as in other provinces, this duty, and the cost of temporary establishments connected with it, has been borne as part of the cost of the Collector's Establishments.

4. In special cases when the operations are enough to keep a Deputy Collector and his establishment in full occupation, it is permissible to place this Officer at the disposal of the Public Works Department and to deal with him as a Public Works disbursing officer. In this case, the expenditure incurred is audited, controlled and charged under Public Works rules.

5. It cannot be admitted by the Government of India that the charges in the present case lie outside the Provincial contract. The assignment made includes consideration of all charges for Collector's Establishments, and therefore includes all charges which, by the rules of account, have to be taken against that head. The Government of is no doubt aware that general branches of the Public Service are not permitted to charge each other for services rendered, and the Revenue Department may not charge the Public Works Department in respect of its services in taking up land for Public Works.

P. W. Dept. endorsement No. 191 L., dated 29th October 1888.

Copy of the foregoing letter forwarded to the Department of Finance and Commerce for information, with reference to that Department's No. 4399, dated 14th August 1888.
