The Executive Engineer

Godavari Western Divⁿ

To

The Superintending Engineer

I circle.

Sir,

With reference to your no 2382 G.D
dated 28th November 1888, I have the honor
to inform you that the only other Overseer
in the Western Sub Division at the
time that Rajaram Row took leave, was
Temporary Overseer, G. V. Subrahmanya Iyer.
He has only recently joined the department,
and I did not consider him competent to be
entrusted with charge of two sections.

Delta Superintendent Venkatakellam
Knows

Knows the Section thoroughly, and is well
up to Overseer's work, which during Sep-
tember, October and November is very
light, consisting only of the collection of
materials. This would not interfere with
his Delta Supt's duties. I considered
therefore that the best arrangement
was to place him in charge. If I
had placed one of the Eastern Sub
Division overseers in charge there would
have been the anomaly of one overseer
under two Sub Divisional officers.

I have the honor to be

Sir,

Your most obedient Servant.
(Signed) W. C. Lemorgan
Executive Engineer. 7/12/88

No 2621 G.D.

Copy submitted to the Chief
Engineer Public Works Department

with

with reference to his ^{1142/31}Memorandum
No. 4392C dated the 10th November 1888.

The grounds set forth by the Division
officer for placing Venkatachellam, Delta
Superintendent in charge of an overseer's
duties seem reasonable and may be
accepted. The Division officers in the
Godavari District have been requested
to see for the future that Delta
Superintendents are not put in charge
of an Overseer's Section without the
approval of the Superintending Engineer,
which will only be given under very
special circumstances.

Andruke - Krishnaas ^{Sub Div. B.}
