GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

General.
Account.

READ—the following paper :—

From Major D. McNEIL CAMPBELL, R.E., Superintending Engineer, VI Circle,
to the Chief Engineer, Public Works Department, dated Trichinopoly, 8th
January 1889, No. 1229 M.D.

I have the honor to request the sanction of Government to the following
modifications of allotment under Imperial—Other Services—Postal and Telegraph
Buildings :—

From	REPAIRS.		To	RS.
	RS.			
Tanjore division	83	Madura division	15	
		Ramnad do.	68	
		Total	83	

2. An estimate of Rs. 115 has been sanctioned for repairs to the Post office at Ammayanayakanúr, in the Madura division, and another of Rs. 68 for repairs to the Post office at Ramnad, while the grant for the former division under the head is only Rs. 100, and there is no grant for the Ramnad division. Hence the necessity for the transfer proposed from the Tanjore division where no demand has been received for repairs to postal buildings.

3. I take also the opportunity of surrendering the following grants under Original Works :—

TRICHINOPOLY DIVISION.

Postal Buildings.

	RS.
Converting Collector's cutcherry at Trichinopoly into a Post office (<i>vide</i> G.O., No. 3311 W. of 17th October 1888)	427

Telegraph Buildings.

	RS.
Alterations to be made to the Collector's cutcherry at Trichinopoly for use of the telegraph department (<i>vide</i> Director-General's No. 2260, dated 27th July 1888)	236

4. In G.O., No. 3159 W., dated 8th October 1888, the alterations to that portion of the artillery barracks which was stated to be unaffected by the proposal to provide a residence for the Collector were ordered to be proceeded with, and accordingly work to the gun-shed and treasury was put in hand; but in the beginning of last month this was also stopped at the request of the Collector. It was stated that this work also might be affected by the new proposals made by that officer.

5. It does not, therefore, appear there is any chance of the Collector's office being removed to the artillery barracks, or of the alterations proposed to the Collector's cutcherry for use of the Postal and Telegraph departments being carried out by the end of March next.

ORDER—dated 21st January 1889, No. 159 W., Public Works.

The following transfer of funds is sanctioned:—

		IMPERIAL CIVIL WORKS.			
		Postal Repairs.			
From			To		
Tanjore division	...	RS. 83	Madura division	...	RS. 15
			Ramnad do.	...	68
				Total	83

2. The following sums surrendered under Postal and Telegraph minor works are resumed and replaced at the disposal of the Directors-General of the Post Office of India and Telegraphs, respectively:—

Postal Minor Works.

Converting the Collector's office at Trichinopoly into a Post office ... RS. 427

Telegraph Minor Works.

Alterations to the Collector's office at Trichinopoly for use of the Telegraph department ... 236

3. Para. 4 of the Superintending Engineer's letter will be referred to the Revenue Department for report whether any change is under contemplation as regards the gunshed and treasury, referred to in their Proceedings No. 5615, dated 20th September 1888.
